Torrens Valley Mechanical - Walky Park Series Round 1 - Khanacross

Walkerville All Cars Club would like to extend a sincere thank you to our valued sponsor for this event Torrens Valley Mechanical & Auto Electrical (TVM) for servicing and maintaining the necessary plant equipment to keep Walky Park operational.

TVM is owned and operated by qualified and experienced diesel mechanic and auto electrician Ben Walsh. Ben opened the business in 1999 and employs a dedicated and skilled team of staff.

TVM can repair and service anything from lawn mowers, the family car and caravan to the biggest of trucks and grape harvesters. TVM can also take care of all your auto electrical needs, air conditioning repairs, batteries, and tires.

TVM has specialist knowledge and expertise in servicing and repairing Grape Harvesters and Olive Harvesters. Qualified mechanics travel throughout South Australia and Australia to service and repair Gregoire Grape Harvesters.

The Springton workshop is in a central location to the Barossa Valley and Adelaide Hills and just 45 minutes from Tea Tree Gully it is easily accessible from Adelaide's suburbs. TVM values good old-fashioned friendly service and provides a loan car and local pick up/drop off service to its customers.

Additionally, TVM can undertake off site repairs with one of its well-equipped vehicles. TVM regularly travels to the Barossa Valley, Clare Valley, South East and Riverland to service its customers. Call us to discuss your needs.

There is no vehicle (or engine) too big or too small for TVM.
