WACC HISTORY

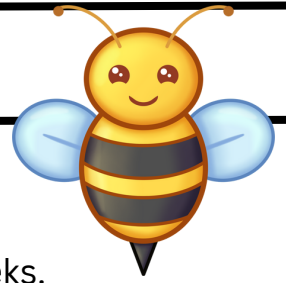

During their visit to Burra for the Shannons Rally of the Heartland, two of our members stumbled upon a fascinating piece of WACC Member history, albeit recent history. While browsing the local General Store in nearby Robertstown near Burra, Andrew and Oscar couldn't help but notice a calendar proudly displaying April 2024. And who might grace the feature picture for April? The answer awaits at the bottom of this page.

Answer: WACC member Jason Thiele

WORKING BEE

We are going to organise a number of working b's in the upcoming weeks.

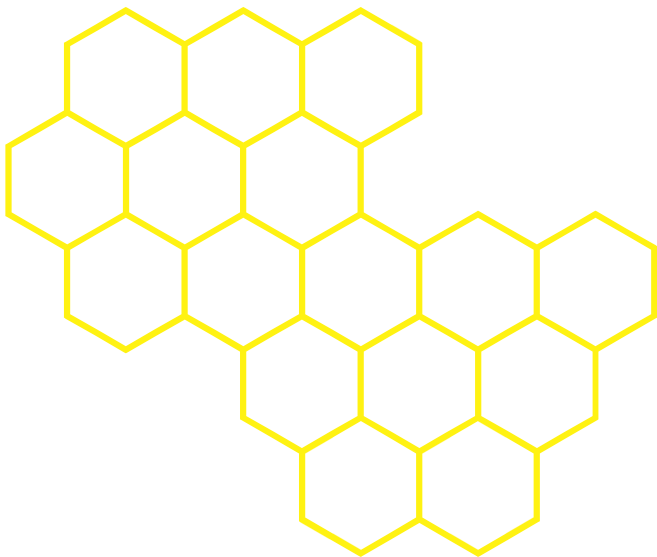

One of the major jobs we need to do is to install the water main. Phase 1 will be along the fence line of Mt Mary Rd from the meter to the corner of Walky Park (approx 2 km). We estimate this will take a team a couple of days so it will most likely be a weekend job.

Phase 2 will be to lay the pipe across Walky Park to the water tanks and can probably be done over several separate days.

Smaller tasks (probably on weekdays) include:

- installing an SS sheet behind the BBQ and installing an exhaust fan and canopy.
- erecting shelving at the end of the middle RSP container for a solar battery charging station.
- moving all fuel containers to the 3rd RSP container (including gennie fuel) away from any ignition source.

If you are able to help out, please phone Pete Tann - 0417 867 403

MEMBER ACTIVITY

Congratulations to Steve Barker and Mandy Rudham for winning Regularity at the Shannons Rally of the Heartland in the Toyota Hilux.

And also to Rob Hunt and Jane Hunt for coming 3rd outright in the SARC in their Mitsubishi Lancer Evo.

The Rally was held on 26th - 28th April and was based in Burra.

Rally Skills Student Anthony Dally with his Subaru Impreza WRX entered in Regularity at the Shannons Rally of the Heartland. Anthony and his co driver Cameron van den Heuvel came 5th.

One of our club sponsors Matthew Stanton (Matt and Bec) of Kensington Park Tyrepower is entering the 'Shit Box Rally' in what he describes as a "a crappy old Commodore wagon."

We would love if you could assist Matt and Bec in raising money for the Cancer Council, every dollar helps.

It all goes to a good cause.

Donate here: Matt and Bec

You will be able to follow their trip and have a laugh at or with them along the way.

If you wish to put a sticker on their car they would be more than happy to do that.

NOTICE BOARD

Multicultural Communities Council of SA (MCCSA) is seeking passionate, friendly volunteers to join our team as Bus Drivers for our 'Community-Driven Transport' service.

MCCSA was established almost 50 years ago. We are the peak organisation serving, empowering and advocating for the culturally and linguistically diverse communities of South Australia. You can learn more about our transport service here:

<https://mccsa.org.au/transport-service/>

We're reaching out to car and bus clubs like yours, because we believe your motor-enthusiast members might be the perfect fit! This volunteer opportunity is ideal for retirees or individuals looking for a flexible way to give back to the community.

Here's what makes this opportunity so rewarding:

Make a Difference: Volunteers directly impact lives by providing safe and reliable transportation to community members, ensuring they can access essential services, events, and activities. **Engage with Diverse Communities:** Our MCCSA drivers have the pleasure of interacting with people from various backgrounds, fostering connections and building social interaction.

Confident Driving Experience: We provide a test drive for all potential volunteers in our small buses (which are more akin to large vans). A regular driver's license, a good driving record, and a positive attitude are all you need!

We understand that car enthusiasts appreciate a good driving experience. Our Community-Driven Transport program provides a new avenue to utilise driving skills while making a positive impact.

We are seeking volunteers who are flexible and patient, as well as friendly and enjoy connecting with diverse groups of people. If you think this volunteer opportunity is a good fit for your members, we kindly ask you to share the following details with them:

Join our team as a Volunteer Bus Driver and drive positive change in your community! To learn more or apply, contact MCCSA Transport Coordinator, Geoffrey Brown, at **geoffrey.brown@mccsa.org.au** or call **8345 5266**.

NOTICE BOARD

A big thank you to Jeremy Browne for donating a pair of seats to the Rally Skills Program.

We are still looking for donations of items the Rally Skills Program can make use of, such as tools, seats, parts, car covers etc. If you have anything to donate, please contact Pete Tann on 0417 867 403

Colin & Pete went to Walky Park last week and put up a shelf at the back of the container nearest the water tanks. This is where the Rally Skills Program helmets are now neatly stored, sorted by size (XS, S,M,L, XL).

They are available for use for passenger rides, but please put them back in their place so we can keep the area tidy.

RALLY SKILLS PROGRAM

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

Day One Focuses On:

Introductions to fellow participants and an overview of the program.
Safety Equipment in Motorsport.
Scrutineering in Motorsport and its role.
Basic driving techniques on gravel, tailored to each student's existing skill level.

Day Two Focuses On:

Refining cornering and braking techniques on the track.
Understanding and utilising pace notes.
Manual gearbox techniques.
Different types of tyres, and tyre changing.

Day Three Focuses On:

Rally rules.
What a navigator does.
Cost to build Khanacross/Autocross/Rally Sprint/Rally Cars.
Fire Safety.

Day four (Competition Day):

Participants will pair up to compete in the thrilling Khanacross event.
On track will be very much Reinforce what's been learnt.
