

WALKY TORQUE June 2024

Welcome to your June newsletter.

On Wednesday 19th June, we will be holding our annual Cancer Council fundraiser/information evening. We will be having a light supper at 6.30pm, plus tea and coffee, and drinks will be available for purchase. \$10/head entry fee. Please bring a small sweet plate to share.

There will be a cash prize raffle. Tickets will be available to purchase on the night, so please bring some cash.

We will also be having a guest speaker Kaity from the Cancer Council with the light box.

If you wish to donate to our Cancer Council fundraiser please click on the link below.

WORKING BEE

**VOLUNTEERS
NEEDED**

Saturday 15th & Sunday 16th June

We have planned a 2 day working bee to lay the water pipe from the meter on Mt Mary Road to the corner of Walky Park on Saturday/Sunday 15 & 16 June.

We will be hiring a trench digger, but it is probably still going to be quite physical for some of us old and decrepit people! It would be nice if we can get a few younger members out to help.

If you can only spare one day, or even half a day, that would be great, and if you can do two days, you are welcome to camp overnight.

We will be putting on a lunch, BBQ Saturday night, Sunday brekkie and lunch.

Please make contact with Pete Tann on 0417 867 403 for further information and to let him know you are coming.

BEE
& CAMPING**

Round 2 Results

Northern Tyre Service

Rally Sprint/Auto Cross/Regularity Rnd 2

What a beautiful start to the day. No wind, no rain, and minimal dust for the spectators. Then the competition began. The dust was hanging around and there was lots of it. With a field of 20 competitors for the Rally Sprint and 2 for the Regularity, it was going to be a great day of competition. Congratulations to all the winners and competitors.

Round 2 Photos

HISTORICS

1948 DeSoto, right hand drive 4 door sedan, made in the US, crated up and shipped to the Chrysler plant in Keswick SA. Original paint and running gear, just had a full interior retrimmed, as it was not in a good way, straight 6 Kew engine, 3 speed column shift manual.

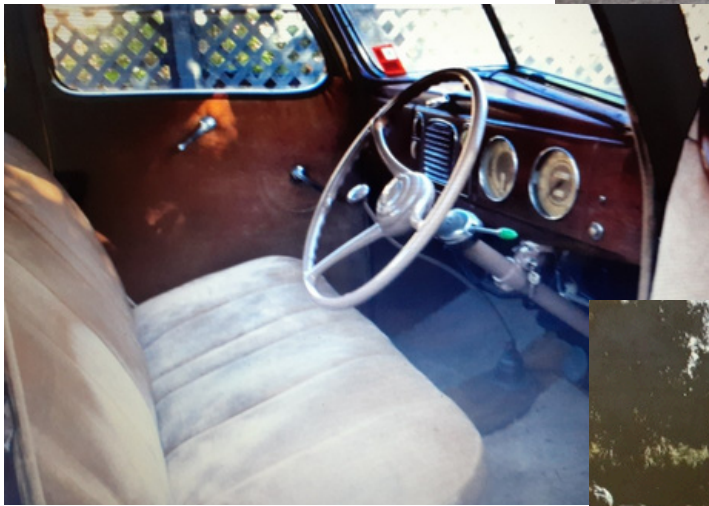

Thanks Wayne for sending this in.

HISTORICS

1938 Ford V8 Business Coupe, factory right hand drive built in Canada and exported to New Zealand in 1938. The owner emigrated to Australia in 1999 with the car , and the vehicle is in his words (a museum piece) and it is exactly that.

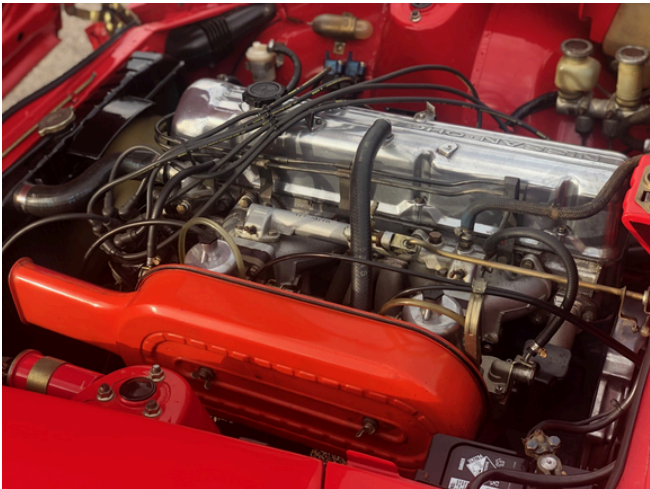

Thanks Wayne for sending this in.

HISTORICS

This is a 2000 resto. It is a 73' 6/73 build date late 240Z production. It did come with the flat top SU style carbs but like most of these it was converted to the round top Hitachi carbs. 2.4 litre, overhead cam six, Datsun headers. The rest of the car is stock to factory specs. I actually bought it with a custom interior but bought in from the states all trim and seats to what it is today.

Thanks Steve for sending this in.

HISTORICS

Our monthly Walky Torque magazine would love to share a photo of your historic vehicle, please email editor@wacc.asn.au or text a photo of your pride and joy and information regarding this vehicle.

For example, YEAR , MAKE , MODEL , ENGINE , TRANSMISSION or any other interesting facts.

YOUR NAME (OPTIONAL)

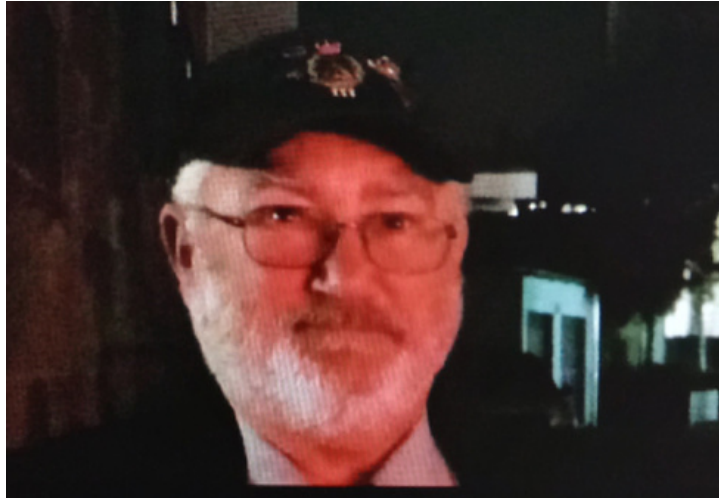

NOTE for privacy purposes registration plate numbers will be photoshopped out.

Awaiting your enthusiastic reply via return email or text message.

VALE ROGER TRUDGEN

Roger Trudgen passed away on 28th May. Sending our condolences to Roger's family.

VOLUNTEERING

Hi,

My name is Connie Spiteri and I am a Social Worker at the DCP Woodville Office.

The Department for Child Protection Office is looking for volunteers assisting young people in care in getting their driving hours up utilising one of our government cars after they had lessons with a professional driving instructor. I was wondering if any of your members might be like to assist. Please find information attached.

If anyone is interested, please contact the office on 8304 0120 and ask to speak to Barbara Stevens, the Volunteer Coordinator or myself Connie Spiteri.

We would love to hear from you 😊

Thank you so much,
Connie

volunteer
AND MAKE A
difference

HAVE YOU THOUGHT ABOUT
BECOMING A VOLUNTEER?

We are looking for responsible, friendly people who enjoy working with children, young people and their families.

All volunteers must undergo a criminal history check to take part in activities involving or in close proximity to children. To take part in this rewarding work, contact your Department for Child Protection office.

Department for Child Protection
824 Port Road
Woodville SA 5011
Phone: 8304 0120

CLUB MEETINGS

Meetings can now be attended remotely

Are you interested in being a part of our General Meeting but you just can't get there? Well.....now you can. The system has been tested and is now ready for members to access. All you need to do is click on the Google Meeting Link and the window will open up. Click on “ask to be let in” and a committee member will grant you access to the meeting. You can interact with the meeting if you wish, or just watch. You can also find the link on the Social Events Page of the WACC website.

Walkerville All Cars Club General Meeting Remote Access:
Online Google Meeting Link: <https://meet.google.com/tin-wkmx-wej>
Phone: (AU) +61 3 8594 9486 - PIN: 451 308 174#

Monthly Meetings

The Walkerville All Cars Club holds regular meetings on the third Wednesday of every month at 7.30 pm. Join us at the Walkerville RSL Hall on Walkerville Terrace for an evening of camaraderie and fun! We have a great lineup of guest speakers and other activities throughout the year to keep things interesting.

New members are always welcome! We love meeting new people who share our passion for motorsport. So come along to our next meeting and make some new friends.

In addition, for those people who would like to be involved but are unable to attend in person Starting in 2024 our meetings will be Hybrid In Person & Online giving members more flexibility and the ability to be involved.

RALLY SKILLS PROGRAM

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

Day One Focuses On:

Introductions to fellow participants and an overview of the program.
Safety Equipment in Motorsport.
Scrutineering in Motorsport and its role.
Basic driving techniques on gravel, tailored to each student's existing skill level.

Day Two Focuses On:

Refining cornering and braking techniques on the track.
Understanding and utilising pace notes.
Manual gearbox techniques.
Different types of tyres, and tyre changing.

Day Three Focuses On:

Rally rules.
What a navigator does.
Cost to build Khanacross/Autocross/Rally Sprint/Rally Cars.
Fire Safety.

Day four (Competition Day):

Participants will pair up to compete in the thrilling Khanacross event.
On track will be very much Reinforce what's been learnt.

2024 Rally Skills Program Dates

20/04/2024 > Rally Skills Program - Day 1

22/06/2024 > Rally Skills Program - Day 2

24/08/2024 > Rally Skills Program - Day 3

MEDIA RELEASE

June 2024

Local Mawson Lakes survivor steps up against prostate cancer

It's a disease that takes a high toll, having claimed the lives of more than 18,000 Australians over the past five years.

And now one local man has decided to take action, joining with hundreds of Australians to improve awareness of prostate cancer.

"Prostate cancer is the most commonly diagnosed cancer in Australia, and yet very few people in our community understand the disease," said campaigner Peter Raedel.

"It's a disease that has impacted me personally, which is why I decided to step up and take a stand."

Peter has joined Prostate Cancer Foundation of Australia's Walk for Him campaign, with hundreds of men and women expected to walk 25,000kms during Men's Health Week, raising awareness and funds to fight the disease.

"It is very important for me that as many men as possible get tested for prostate cancer, so that my sons, nephews, friends, grandsons and all men avoid ending up with terminal prostate cancer," said Peter.

"Unfortunately, I did not listen about being tested until my prostate cancer had become metastatic, escaping the prostate.

"I underwent chemotherapy and continue to have hormone therapy and daily medication. I have lost some muscle strength and have some horrible side effects. The worse is knowing this was avoidable.

"Awareness is a powerful tool, the more that we talk about it, the more this can be avoidable. If talking about it saves 1 life it is worth it."

Around 290 of men are diagnosed with prostate cancer each year in Mawson Lakes and the surrounding region.

Peter has already met his fundraising goal of \$1000 and hopes to raise even more as part of his Walk for Him.

"My walk will be dedicated to all the men in families in our region who have been impacted, supporting access to clinical trials and prostate cancer nurses provided by the Prostate Cancer Foundation," he said.

"We know that awareness saves lives, improving action on early detection and treatment."

NOTICE BOARD

Prostate Cancer
Foundation of Australia

RESEARCH
AWARENESS
SUPPORT

The campaign will run from June 10-16 for Men's Health Week, inviting men and women to walk 25kms during the week in solidarity with men and families impacted by the disease.

"Over the past five years alone, more than 120,000 Australian men have been diagnosed with prostate cancer, and, tragically, more than 18,000 have died from the disease," said PCFA's CEO, Anne Savage.

"It's a disease that takes a significant toll not just on men, but also on their partners and families, on their communities, and on the health of the nation.

"With more than 250,000 Australians impacted by a prostate cancer diagnosis, and more than 25,000 men likely to be diagnosed this year, community action is key to saving lives."

According to the Australian Institute of Health and Welfare, prostate cancer is the most commonly diagnosed cancer in Australia, accounting for more hospitalisations than any other type of cancer.

"The cost of treating prostate cancer in Australia each year is over \$1.35 billion – a figure that continues to rise as more and more men are diagnosed.

"Our aim is to bring men and women impacted by prostate cancer together during Men's Health Week to raise \$250,000 in the Walk for Him.

"All funds raised will go towards supporting men and their families, funding clinical trials, prostate cancer nurses, and our nationwide telenursing service.

"With 1 in 5 Australian men likely to be diagnosed with prostate cancer in their lifetime, joint action has never been so important."

To sign up go to www.walkforhim.org.au.

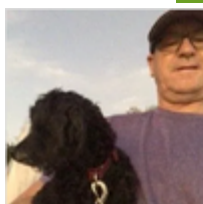

For more information and to find a local support group, call 1800 22 00 99 or go to www.prostate.org.au.
