WORKING BEE

VOLUNTEERS NEEDED

Saturday 10th & Sunday 11th August

Track Committee

Water main connection

It was decided to cancel the working B on 15/16 June because we didn't have enough volunteers. The Track committee, plus a couple of regular helpers (Tamara, Ellie, Steve, Pete, Colin, Dave, Graham & Shep), took the opportunity to work out a process to make it as easy as possible. We ended up with 8 people, most of us in our 70's! We managed in one day to connect the first 200 meter length of hose to the meter, negotiate 2 gates, lay 200 meters of hose, fill the trench, and dig another 200 meters of trench.

We need help, it's heavy going.

**WORKING
& CAMPING**
www.wacc.asn.au

The working B is rescheduled for Saturday 10 & Sunday 11 August.

We need to dig another 1600 meters of trench, and lay hose and backfill 1800 meters down Mt Mary Road to the corner of our property. We are planning to clear a path through the salt bush prior to the weekend if we can. This will enable the trencher machine to work continuously without having to keep stopping to clear a path. We may need to dig some by hand where we encounter trees, rock and other obstacles. The salt Bush is a bit vicious so if you can help, wear thick jeans and gloves. If you can come and help it will be much appreciated - it's a big job. You don't need to commit to the whole weekend, even half a day will be much appreciated. We will feed and water you. Saturday night you will have the option of BBQ supplied or Mt Mary Hotel own cost.

Please complete the attached registration form (one for each person) and return to Pete - details at the bottom of the form.

This will enable us to co-ordinate how many people we have at any given time and catering requirements.

Having mains water connected to the property will enable us to water the tracks when grading which will help stop them from breaking up. We are also working on a roller which will also help improve the tracks.

We have just had a couple more big bills for maintenance of the graders and they are now both fully operational.

The water truck is also operational. Hopefully, we will just have regular maintenance in the future.

Please bring some tools with you eg. shovels, spades, rakes, picks, mattocks etc

Since 2007 when Motorsport Tyres first open its doors, the business has been built on Motorsport Customer Service. This has always been the owner Mark Povey's focus and dedication to the competitor. As a competitor himself, mainly in gravel rally and hill climb, Mark understands the importance of the approach.

The beauty of this approach meant Mark has been able to interact with many competitors over a large variety of disciplines. This has been key to building a vast product knowledge of Tyre Fitments, Compounds and Set up information which he willing passes on as valuable information.

With a fully function mobile service unit including a Hino Truck and Trailer the SA Motorsport Tyres team have serviced many Hill Climbs, Circuit Races, Drift Events and Tarmac and Gravel Rallies over many years. Over the past 10 years SAMT has provided service from a dedicated tyre shed at Mallala Motorsport Park.

The business can provide a dedicated Controlled Tyre Service to Individual Tyre Manufacturers who may seek a professional service to a Motorsport Discipline. In the past SA Motorsport Tyres successfully serviced 3 years of the Australian Rally Championship for MRF Tyres travelling all over the country from W.A. to Tasmania and Coffs Harbour. SA Motorsport Tyres is the Sole tyre provider for Federal Tyres on the Hyundai Excel Racing Series in SA.

The business has expanded over the years and now operates from a large front office style warehouse facility providing a professional representation while offering storage and distribution capabilities. The business also offers a large range of passenger, 4wd and street performance tyres to the public.

For more information on the services we provide simply contact Mark. [1300 022 948](tel:1300022948)

Social

At the General meeting on 19 June, the club hosted a supper in lieu of a Biggest Morning Tea to raise funds for Cancer Council SA (CCSA).

Many thanks to Faye, Carmel and Janet who cooked up a storm providing most of the savouries.

During the afternoon the Social Committee met at Faye and Steve's to heat the savouries and make sandwiches. All hands on deck - another big thank you to Carmel, Graham, Janet, Shep, Faye & Steve for all the hard work.

We arrived early at the hall to get set up - thanks to everyone who helped with that and we were ready on time at 6:30.

Carmel had also organised a cash raffle and donated the prize money - thank you so much.

After everyone had made a good effort at devouring all the goodies, our guest speaker from CCSA, Kaity, told us how the money is spent in supporting people living with cancer, prevention and research.

Kaity had also brought the "light box" which was as popular as ever with people checking their skin for signs of cancer.

Thank you Kaity, and thank you for the hugs (I'm at an age where I can get away with hugging young ladies!)

Despite the number of people attending being slightly down compared to last year, everyone was very generous and we raised more money!

The final tally was \$1,060, including online donations from people who were unable to attend.

As in previous years, the club matched the donations and CCSA benefitted by \$2,120 in total.

Thanks to the club, committee and everyone who supported the event.

Can we do better next year?

Peter Tann

HISTORICS

Photo of my Datsun 240Z, 1972. Engine has a high lift cam, high compression head, triple Dellorto dlha40 carbs and extractor exhaust. Suspension has been lowered 50mm. Alloy wheels are from Performance Wheels originally made here in Adelaide.

Thanks David for sending it in.

HISTORICS

Our monthly Walky Torque magazine would love to share a photo of your historic vehicle, please email editor@wacc.asn.au or text a photo of your pride and joy and information regarding this vehicle.

For example, YEAR , MAKE , MODEL , ENGINE , TRANSMISSION or any other interesting facts.

YOUR NAME (OPTIONAL)

NOTE for privacy purposes registration plate numbers will be photoshopped out.

Awaiting your enthusiastic reply via return email or text message.

CLUB MEETINGS

Meetings can now be attended remotely

Are you interested in being a part of our General Meeting but you just can't get there? Well.....now you can. The system has been tested and is now ready for members to access. All you need to do is click on the Google Meeting Link and the window will open up. Click on "ask to be let in" and a committee member will grant you access to the meeting. You can interact with the meeting if you wish, or just watch. You can also find the link on the Social Events Page of the WACC website.

Walkerville All Cars Club General Meeting Remote Access:
Online Google Meeting Link: <https://meet.google.com/tin-wkmx-wej>
Phone: (AU) +61 3 8594 9486 - PIN: 451 308 174#

Monthly Meetings

The Walkerville All Cars Club holds regular meetings on the third Wednesday of every month at 7.30 pm. Join us at the Walkerville RSL Hall on Walkerville Terrace for an evening of camaraderie and fun! We have a great lineup of guest speakers and other activities throughout the year to keep things interesting.

New members are always welcome! We love meeting new people who share our passion for motorsport. So come along to our next meeting and make some new friends.

In addition, for those people who would like to be involved but are unable to attend in person Starting in 2024 our meetings will be Hybrid In Person & Online giving members more flexibility and the ability to be involved.

RALLY SKILLS PROGRAM

22nd June

What a busy weekend!

Everyone seemed to enjoy day 2 of the program.

The students are all making great improvements each session which is great to see. We seemed to manage the day without too many hiccups and kept pretty well on schedule - thanks everyone for co-operating.

A big thank you to all the coaching team and other officials on the day.

Also, a big thank you to Mark Povey from SA Motorsport Tyres for coming out to do a presentation. He had plenty of questions to answer which was good to see.

Also a big thank you to Dave Langfield for the sessions he did on Co-driver roles and pace notes.

Special thanks to Bob and Ellie for managing to unblock the toilets. I think that's the first time we've had an issue since they were installed a few years ago, let's hope it's the last.

Anthony and Lachlan came out on Sunday and had a run at the Khana X and had a lot of fun.

Naomi and Noah also came out and helped with the catering and observer duties and scored themselves a couple of rides for their trouble - thanks for coming out to help. We didn't have any fog on Sunday but it was minus 3 degrees when I got there - luckily I was next to the BBQ!

Day 3 is on Saturday 24 August and the team are looking forward to it.

RALLY SKILLS PROGRAM

EXPRESSION OF INTEREST INSTRUCTORS

We are taking registrations for additional driving instructors for 2025 to assist in running the program. If you have any questions or would like further information on the program and how you could contribute please complete an expression of interest form on our website at the following link, or contact Peter Tann on 0417 867 403

<https://www.wacc.asn.au/rallyskills/>

We are looking for two more instructors for the Rally Skills Program to help out for 2024. Please contact Peter Tann 0417867403

RALLY SKILLS PROGRAM

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

Day One Focuses On:

Introductions to fellow participants and an overview of the program.
Safety Equipment in Motorsport.
Scrutineering in Motorsport and its role.
Basic driving techniques on gravel, tailored to each student's existing skill level.

Day Two Focuses On:

Refining cornering and braking techniques on the track.
Understanding and utilising pace notes.
Manual gearbox techniques.
Different types of tyres, and tyre changing.

Day Three Focuses On:

Rally rules.
What a navigator does.
Cost to build Khanacross/Autocross/Rally Sprint/Rally Cars.
Fire Safety.

Day four (Competition Day):

Participants will pair up to compete in the thrilling Khanacross event.
On track will be very much Reinforce what's been learnt.

2024 Rally Skills Program Dates

20/04/2024 > Rally Skills Program - Day 1

22/06/2024 > Rally Skills Program - Day 2

24/08/2024 > Rally Skills Program - Day 3

26/10/2024 > Rally Skills Program - Graduation Event

NOTICE BOARD

A new feature for members' use. Do you have something you need? Do you have something to sell? Is there an event you're keen for others to know about? If it's of interest to you, then it could be of interest to others. Please email the editor with your contributions.

Please email editor@wacc.asn.au

WACC SERIES REGS

The 2024 Walky Park Series Regs are now available on our website. RallySprints are back!
