Welcome to your November newsletter.

DH Rallysport - Walky Park Series Round 7 SA Khanacross Championship 26th & 27th October

Walky Park set the stage for the final round of the SA Khanacross Championship with an action-packed weekend. Day one started at 10 a.m., featuring a course enhanced by recent rainfall that created a water splash on track one. While many drivers powered through, the fastest cars skillfully skirted the edges to maintain speed. The club's editor was definitely enjoying the action shots. New comer Naomi, had a string of bad luck with a broken fan belt, and then flat tyre, but still managed to lead her car class by the end of the day. Father son entry, Rhys and Damien Rolland, also had some car issues requiring a quick trip for spare parts so they could continue on day 2.

Michael Stroh was leading the club round, while Oscar Farnden was leading the Championship Round, both in their WRX's. Vanessa Stamford led the womens class. Some spectacular driving on this track, with some great photo opportunities from Cody and Andrew Gleeson, and Nick White. It was windy, warm and dusty, but everyone still managed to keep smiling. The day ended with a group visit to the Sedan Pub, with a meal and game of pool. For those who decided to camp overnight, I was told the stars in the sky were clearer than ever. Day two saw the field increase with recent Rally Skills Participants competing, some for the first time. More car issues continued on Day 2 with Michael Stroh having mechanical issues on run 8 which lost him the lead to Oscar Farnden, the Khanacross Championship winner, junior winner and class winner, with Andrew Gleeson in second place. Well done to all competitors. It has been a great year of competition and the committee would like to thank the tireless efforts of our Clerk of Course, Competition Secretary and the many volunteers who have helped out at events this year.

NOTICE BOARD

*Do you have something you need? Do you have something to sell? Is there an event you're keen for others to know about? If it's of interest to you, then it could be of interest to others. Please email the editor with your contributions. **Please email editor@wacc.asn.au***

Promo car

I ran the promo car for a couple of decent runs a few weeks ago prior to my hip replacement.

It is not idling consistently and occasionally stalls. It just needs driving, but as it's a manual, it's not hip friendly at the moment.

If someone would like to take it for a nice long drive, let me know. (Ob 4 is coming up!)

Observation run 4

Not long to go now. Sunday 24 November, and entries close Thursday 21 November.

I won't take entries on the day, so get your entries in.

I also need to advise the hotel of the numbers for lunch.

Prize winners will be announced at the AGM.

Pete Tann

NOTICE BOARD

have your say

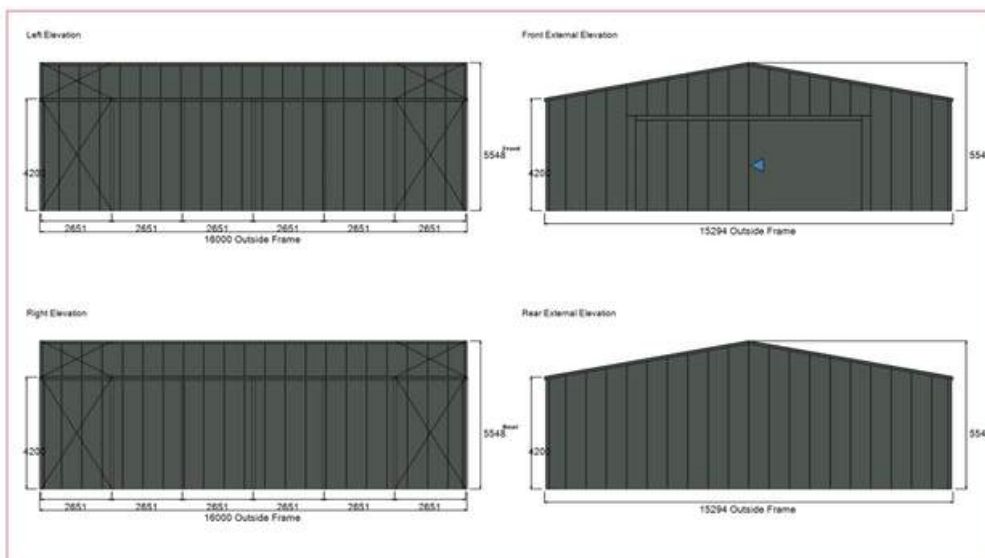

We are applying for a grant with the Department for Infrastructure and Transport as part of their SA Car Club Program. We are looking at erecting a shed to be placed near the shipping containers. The shed will provide us with a large facility to store and maintain our Rally Skills Program vehicles, as well as club equipment which will make it easy for officials and members to access. We are also looking at using the shed for a dedicated training area where we can hold driver training for the Rally Skills Program, Club training, event briefings, first aid courses etc. There will also be a medical room which will provide a dedicated space for any medical requirements.

We would love to hear your thoughts and feedback on this proposed facility. If you would like any further information, please contact Peter Tann, or come to a Committee Meeting. If you have any feedback, please email editor@wacc.asn.au

HISTORICS - PETER MCARTHUR COLLECTION

A big thank you to Antonio Marzari who has sent in some exciting historical photos that were taken by Peter McArthur our founding member and President. After he passed away, Peter's family gave the slides to Antonio Marzari who did the bodywork and paint on Peter McArthur's Repco Around Australia Trial, car number 55. The club has had the slides digitised for our members to enjoy. There is quite a collection, so we will be presenting them in our next few issues. We are going to call it the Peter McArthur Collection.

The Peter McArthur photos are brilliant and bring back wonderful memories. In photo one was able to recognise Brian Foster, Max Jones and Murray Sinclair a little before my time. Murray Sinclair introduced me to the club. Wonderful old rally shots amazingly we used public roads to run Rally's in 60/70's.

Kind regards, Chris & Cynthia Rizonico

RALLY SKILLS PROGRAM - 2025

2025 RSP is starting to ramp up!

We already have 12 expressions of interest for the 2025 RSP. That is all word of mouth as we haven't advertised yet!

Prior to Christmas I will be contacting all the potential students with an updated schedule and details and invite them to secure their place by paying a deposit.

We have a few things to sort out with the cars. We need to fit tow straps and assess the Mazda for damage.

We have lodged a grant application for some race seats, we already have a few that have been donated.

We have harnesses for all the cars but still need to fit them. We are investigating fitting bolt-in half cages for this year. Looking like we might need a working B or 2.

Hopefully all of our coaches will return next year, it will be so much easier now that we have run the program once, just a bit of refining to be done.

If anyone would like to join the coaching team, a couple of extras would alleviate the stress of covering work, family and sickness availability.

RALLY SKILLS PROGRAM

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

Depending on the budget (which is yet to be set) we are keen to start to install bolt-in half cages in the RSP cars as a priority.

If anyone is able to assist us in the process please contact Pete.

We have harnesses for all the cars which still need to be fitted.

We have a couple of seats that have been donated and need fitting.

If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price. As always, contact Pete.
