

WALKY TORQUE December 2024

Welcome to your December newsletter.

11th December AGM & TROPHY PRESENTATION

Our Annual General Meeting (AGM) is just around the corner, and we're looking forward to reflecting on another fantastic year! Most committee positions have received nominations, but a few opportunities remain for members keen to contribute to the club's success.

We are currently seeking:

- Public Relations Officer: Help promote the club and engage with our community.
- General Committee Member (1 position available): Join our dynamic team and bring your ideas to the table.
- Rally Panel Representatives (2 positions): Provide input on rally-related matters and represent member interests.
- Autotest/Khanacross Representative (1 position): Be the voice for Autotest and Khanacross events.

How to Nominate

Complete the nomination form available in this newsletter, and either email it to Greta or bring it along to the AGM on the day. Please refer to the 2023 AGM minutes at the end of the newsletter, for a list of available committee positions open for nomination.

Your involvement is vital to our club's success—consider stepping up and contributing to the motorsport community!

We look forward to seeing you at the AGM. 🏁

NEXT GENERAL MEETING:

**WEDNESDAY 11 DECEMBER
SEE YOU THERE AT 6.30pm
FOR THE AGM/ REGULAR
GENERAL BUSINESS
MEETING**

**Walkerville RSL Hall,
Walkerville Tce, Walkerville**

WALKY PARK COMPETITORS

All competitors competing in the 2025 Rallysprint and Khanacross/Autotest Series at Walky Park will need to have a decent towing point at the rear and front of their car as Tamara and I found in some cases this year it was very hard to find tow points. If possible a tow strap on the front would be much appreciated.

Thanking you in advance.

BOB NASON
Chief Scrutineer

MEMBER CONTRIBUTION

How to climb a hill

Dave Rudham & I recently entered the 2024 Legend of the Lakes hill climb at Mt Gambier in the still developing silver Mk2 Escort. Due to Dave & Mandy's years of helping SEAC & the event itself we were fortunate enough to grab a dual driver entry for the full 3 days. Leading up to the event we decided to have the car properly tuned & it's FR32 cam dialled in by Mike Dale. Things didn't quite go to plan & we ended up with a standard cam dialled in plus upgraded dizzy & the correct valve clearances. Still 68kw at the rear wheels for a 45 year old Escort Ghia is better than it was when purchased.

Our problems didn't quite end there though with the proposed tow car deciding it didn't want to provide power to the car trailer lights (thanks Ethan for the borrow). Not wanting to risk that with such a long tow the Rudham Land Cruiser was co-opted & their caravan stayed home. We eventually arrived at Mt Gambier at 7.30pm on the Thursday slightly frazzled but excited for Friday.

The Legend course up the hill from the Valley Lakes Park means that you have to come down the hill & be on course by 7.30am as the road is closed after that. Not much time for a sleep the night before after unloading, debriefing etc but we were there.

Neither of us had driven the hill in anger before so while Dave drove up on the recce in the Escort, I jumped in with Sean Day so he could show me the lines. The difference between a mega 22B WRX & the Escort meant that wasn't much help but at least I got to see the road at a bit of speed!

Friday runs with about half the number of cars that compete on the weekend so it's a bit more relaxed which was good for us to get a feel for things & the car. We managed 4 of the 5 runs each on Friday missing the middle one due to the dip stick tube rotating itself which by the time we had diagnosed the problem & fixed meant we missed that run.

Our Friday times started in the 1 minute 13 seconds region & dropped to the 1.11s once we got used to the course & took the brave pills to not lift at all from the bottom of the hill to the Bus Stop section at the top. This was with our dirt tyre pressures of 35 cold but at least set a base line for the weekend.

After chatting to some much more serious & faster / experienced teams we gradually reduced our cold tyre pressures (2 psi at a time) to get the semi tarmac tyres to work better.

MEMBER CONTRIBUTION

After Friday our goal was to get into the 1.10s before the end of the weekend.

Saturday & Sunday provided a total of 10 runs each with us breaking into the 1.10s, then the 1.09s & finally Dave managing to drag out a high 1.08 which beat my 1.09 best by 0.05 seconds. By this time on Sunday, we were down to tyre pressures of 22psi cold!

The 7.30am road closure on Saturday went through to a 7.30pm finish, which allowed for 6 runs each but made for a long day.

As is usual with motorsport competitors both of us reckon we didn't manage a 100% perfect run so the car in its current tune possibly has another second less in it's time but that will have to wait for next year. We will be back for sure.

The event itself has been running for 19 years & has the full support of the Mt Gambier council & residents. It is run to the MSA rules & regulations but not in an authoritarian manner with all the officials being friendly & helpful. They want you to run & enjoy it not be stopped because your paint colour doesn't match on each side of the car.

Like most motorsport events there are hours of waiting for minutes of being terrified or excited, but the unique layout of the road means it's not easy to put a consistent run together, so it keeps challenging you each time. The other competitors are generally very friendly & willing to help or just chat about their cars.

Finally, a shout out & thank you to all the officials, general volunteers & the catering van lady with the great coffee for being there so we could get our adrenaline hit.

Dan Prentice.

WALKERVILLE ALL CARS CLUB-OBSERVATION TRIAL 4

Observation Run 4 - Sunday 24 November

We had a very keen entry list with several of the entrants arriving at the start location before I did!

Due to a couple of late withdrawals, we ended up with a field of 10 entries comprising 23 crew members.

We got away promptly after the Drivers briefing and small gaps to spread the cars out. The route meandered via Norton Summit, Basket Range and Forest Range to Woodside. From there we went via Nairne and Kanmantoo to Callington. We then headed to Strathalbyn via Woodchester.

We had an excellent lunch at the Robin Hood Hotel.

We then walked up the High Street where Motor Sport Chaplain extraordinaire and some fellow volunteers gave us a very informative tour of the Gilbert's Motor Museum. Their exhibits change regularly and you need more than one visit to take it all in.

All in all I think everyone had an enjoyable day.

I am going to try to run 2 events next year - watch this space.

Cheers
Pete

Thanks to Beth Baillie and Anthony Dally for providing the photos.

HISTORICS - PETER MCARTHUR COLLECTION

A big thank you to Antonio Marzari who has sent in some exciting historical photos that were taken by Peter McArthur our founding member and President. After he passed away, Peter's family gave the slides to Antonio Marzari who did the bodywork and paint on Peter McArthur's Repco Around Australia Trial, car number 55. The club has had the slides digitised for our members to enjoy. There is quite a collection, so we will be presenting them in our next few issues. We are going to call it the Peter McArthur Collection.

CLUB MEETINGS

Meetings can now be attended remotely

Are you interested in being a part of our General Meeting but you just can't get there? Well.....now you can. The system has been tested and is now ready for members to access. All you need to do is click on the Google Meeting Link and the window will open up. Click on “ask to be let in” and a committee member will grant you access to the meeting. You can interact with the meeting if you wish, or just watch. You can also find the link on the Social Events Page of the WACC website.

Monthly Meetings

The Walkerville All Cars Club holds regular meetings on the third Wednesday of every month at 7.30 pm. Join us at the Walkerville RSL Hall on Walkerville Terrace for an evening of camaraderie and fun! We have a great lineup of guest speakers and other activities throughout the year to keep things interesting.

New members are always welcome! We love meeting new people who share our passion for motorsport. So come along to our next meeting and make some new friends.

In addition, for those people who would like to be involved but are unable to attend in person Starting in 2024 our meetings will be Hybrid In Person & Online giving members more flexibility and the ability to be involved.

RALLY SKILLS PROGRAM - 2025

2025 RSP is starting to ramp up!

We already have 12 expressions of interest for the 2025 RSP. That is all word of mouth as we haven't advertised yet!

Prior to Christmas I will be contacting all the potential students with an updated schedule and details and invite them to secure their place by paying a deposit.

We have a few things to sort out with the cars. We need to fit tow straps and assess the Mazda for damage.

We have lodged a grant application for some race seats, we already have a few that have been donated.

We have harnesses for all the cars but still need to fit them. We are investigating fitting bolt-in half cages for this year. Looking like we might need a working B or 2.

Hopefully all of our coaches will return next year, it will be so much easier now that we have run the program once, just a bit of refining to be done.

If anyone would like to join the coaching team, a couple of extras would alleviate the stress of covering work, family and sickness availability.

RALLY SKILLS PROGRAM

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

Depending on the budget (which is yet to be set) we are keen to start to install bolt-in half cages in the RSP cars as a priority.

If anyone is able to assist us in the process please contact Pete.

We have harnesses for all the cars which still need to be fitted.

We have a couple of seats that have been donated and need fitting.

If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price. As always, contact Pete.

<https://www.wacc.asn.au/rallyskills/>

Don't forget our sponsors. We encourage you to support them, as below.

NISSCARE

The Last Word.....

Come along to our AGM - vote for your 2025 Walkerville All Cars Club Committee.

Gill
