

WALKY TORQUE SEPTEMBER 2025

Welcome to your September newsletter.

Northern Tyre Service – Walky Park Series Round 3 Rallysprint – 24 August

The August round of the Walky Park Rallysprint series, proudly sponsored by Northern Tyre Services, took place on Sunday 24 August, attracting a solid field of drivers.

Outright honours went to Oscar Farnden, who set the quickest time of the day with 24:31.120. He was followed by Andrew Gleeson in second place and Michael Stanford in third.

In the Junior Series, Cody Gleeson drove strongly to take the win and also placed an impressive fourth outright. The Women's Series was led by Vanessa Stanford.

The event once again provided good competition across all classes, with drivers gaining valuable experience on the Walky Park tracks, with a section of track being used along the back fence, that brought something different to the event. Thanks are extended to the officials and volunteers who made the day possible, and to our round 3 sponsor Northern Tyre Service.

NEXT GENERAL MEETING:

**WEDNESDAY 17 SEPTEMBER
SEE YOU THERE AT 7.30pm

2025 SEASON INFO- DRAWN AT THE AGM

2025 Season ENCOURAGEMENT AWARD

Walkerville All Cars Club would like to acknowledge and thank the anonymous patron who has graciously and kindly donated \$1000 to be awarded as an encouragement award to one of our competitors at the end of the 2025 season. We have also received a second anonymous donation of \$200 as 2nd **prize which will be drawn at our AGM on 10th December.**

Details are in **Walky Park Club Series 2025**, Section 7, Article 2

The prize will be drawn in person during the AGM / Awards Night at the December Club Meeting and will be subject to the following criteria:

- Each Competitor will receive one entry into the draw for each Round/Heat that the competitor Starts in the 2025 season, with a maximum of up to eight entries for any competitor that completes the full season.
- 6 Rounds consisting of a Single Heat o 1 Round Consisting of 2 Heats - Each day of the SA KX Championship in October counts as a separate Heats for the Club Championship
- Entering an event but failing to Start due to either failing scrutiny or failing to present at the event's start line will result in not receiving an entry.
- **To be eligible to win, the recipient must be present on the night the award is drawn; if a name is drawn of a competitor who is not in attendance, the award will be redrawn until a competitor who is present is chosen.**
- Any competitor, regardless of club affiliation, will be eligible for the award, and competitors do not need to be members of WACC.

OFFICIALS

Calling all Volunteers!

The upcoming Copyworld Adelaide Hills rally needs your help to make the Rally a Success.

The excitement is building for the Copyworld Adelaide Hills Rally run over the October Long Weekend, on the 4th & 5th of October.

The Copyworld Adelaide Hills Rally is Round 5 of the EROAD Australian Rally Championship, and the final round of the MRF South Australian Rally Championship and South Australian Regularity Series.

The success of this event is only achieved through the enormous effort of our volunteers and we are always grateful for the time and effort our volunteers put in.

The event will kick off Friday evening October 3rd, with the MSS Rally Show in Mount Barker. All the stages are run in and around the Adelaide Hills with the Service Park located at The Summit Mount Barker Sports Ground.

Each stage runs twice, and we will have a remote service in Strathalbyn on Saturday afternoon.

We really need your help

Get up close and personal to the action with roles available on Special Stages that include Road Closures, Control Officials and Spectator Marshals.

Whether you can volunteer for one day, two days or more, you are an early bird or prefer something a bit later, your time and energy will make a big difference.

To thank you for your support there are a few special items up for grabs:

- All Officials will receive an event goodie bag.
- Random prize draws for all registered Officials including:
 - Items of Team Merchandise
 - Framed signed event posters from our leading national, international and local competitors

If you can help, please complete the Officials Registration Form that you will find here:

<https://www.jotform.com/build/250638511530854>

If you have any questions or queries, please get in touch. Once again, thank you all!!!

Fiona McCubbin-Mee

Officials Coordinator

HISTORICS

PASPREM

This is our Holden HK Premier, in original-spec factory colour (Silver Mink). This was purchased by my grandfather (Pa) brand-new in 1968 from Watson's of Greenborough, a Holden dealership in Melbourne (trading an EH Holden), and used as a daily driver until 2001 when Pa couldn't drive anymore. It was built in Dandenong, Melbourne, and was originally spec'd with 186 and 2-speed PowerGlide transmission. The interior is light-teal combination fabric with vinyl outers. It also came with upgraded dash (from warning lights to gauges) and AM radio from the factory. Later on it was fitted with a Hayman Reece towbar (rated to 4500kg according to the plate!), and also a 3-speed Trimatic transmission, and it towed the caravan for half of its life. In 2001, my father and I drove it down from Hervey Bay in QLD down to SA (I was on my L-plates!) and it ticked over 100000 miles as we drove it into the garage.

There it sat until April 2023 when I proposed to my then girlfriend and discussed having the car in the wedding which was 15 months away. At that stage it was very ratty! A Poor re-spray in the 90s was all peeling and there was a bit of rust and bog exposed in places from when Nan jack-knifed the caravan! So the major restoration was started! We stripped most of the componentry ourselves, with the motor going to JH Southcott and the body of the car going to OB Restorations in Encounter Bay. We completely removed the front sub-frame and stripped it back to the firewall, cleaning the engine bay from all the “extras”, and lowered the suspension slightly to wrap around the jelly-bean alloys we had restored for it. I fully re-wired it in the shed at home, upgrading some of the terrible plastic connectors and moving all the wiring out of sight. Apart from the driver's seat, which had collapsed on the side, the interior wasn't touched at all – when new, Nan & Pa had fitted seat covers and clear plastic floor mats. When we removed these it was all immaculate underneath! Dad was an ex-Holden mechanic, so he “upgraded” some of the engine components (bored out 60-thou, and I'm pretty sure triple-SU carbies weren't standard 😊)

HISTORICS

Of course, the 2 weeks leading up to the wedding were in the shed until midnight every night doing final assembly. Then on wedding-eve it was running, and all looking good for the big day! Unfortunately, on the morning of the wedding, the carbies all started leaking fuel onto the exhaust manifold and we didn't have time to investigate or repair, so we had to switch to plan-B. But a great friend of mine (shout-out to Rob Seymour!) loaded it onto a car trailer for us, and proceeded to follow us everywhere, unloading and positioned it for our photos as it would have been. It was incredibly special to have it present on the day.

In our family, I knew my grandfather as Pa, and my kids know their grandfather (my Dad) as Pa, so "PA'S PREM" it is! I look forward to hopefully making it to 83 years-old and handing the keys to my grandkids. "This car is 100 years old. You can't buy fuel for it anymore, but it's pretty cool!!"

*Cheers all,
Will Langdon*

Interactive Rally Officials Training Day

Sun, 21 Sept | Adelaide

Join Adelaide Car Club and Shannons Adelaide Rally for an interactive training day covering fire & rescue, first-on-scene response, stage setup, traffic management, and more. Build real skills, hear from experts, and gain certificates that apply across motorsport events.

Time & Location

21 Sept 2025, 8:15 am – 4:00 pm

Adelaide, 21 West Terrace, Adelaide SA 5000, Australia

About the event

Adelaide Car Club, in partnership with the **2025 Shannons Adelaide Rally**, invites you to take part in an **interactive Rally Officials Training Day**.

Whether you're already registered as a volunteer official, curious about getting involved, or simply want to build your skills, this training day is designed for you. Family and friends who are interested are also warmly encouraged to join in!

What's Covered

Across a mix of indoor and outdoor sessions, you'll gain hands-on experience in: ✓ Fire & rescue ✓ First on scene medical ✓ Stage setup (including building a live stage on the day) ✓ Traffic management ✓ Team management ✓

Pathways and progression for officials...and much more!

Special guest speakers and field experts will also share their knowledge throughout the day.

Certification

All participants who complete the training will receive:

- Certificate of completion
- SA Police Traffic Marshals certificate

Why Attend?

This is a unique opportunity to step inside some of South Australia's most iconic motorsport events, in partnership with Adelaide Car Club. You'll gain skills, meet like-minded people, and be part of the team that makes the Adelaide Rally... and other events possible.

Sign up today and share this invite with anyone who may be interested.

For sale

I have decided to sell my caravan and various camping gear. I will clean through and sort stuff and have a detailed list next month. If anyone is interested let me know. I am getting the Van serviced and detailed in the next few weeks, prior to sale. I also have a low profile 2,700 kg trolley jack available.

Peter Tann

SOCIAL ACTIVITIES

Social Club Dates for **2025**

SUNDAY NOVEMBER 30 - OBSERVATION TRAIL 6

KITCHEN

In last month's magazine we shared that the new kitchen area was well underway – here are some photos showing the progress. We would also like to thank our 'model' Peter Tann – proving once again that kitchen builds are best promoted with style

TRACK COMMITTEE

We had a day last week grading and watering the track. We had a lot of rain the past few days so are planning to go again next week and try out our new roller. We can then start improving the tracks, and getting in suitable materials.

We are progressing with getting quotes for the shed to house the cars and hope to make a recommendation to the general committee soon.

The kitchen is nearly complete, just some electrical and plumbing jobs to be completed.

RALLY SKILLS PROGRAM - 2025

DAY 3

Day 3 will be on Saturday 27 September. We are very tight on coaches for the day but should manage thanks to everyone who is available. Apart from that we are pretty well organised for the day. Dave Rudham and I will go up a couple of days before to check tyre pressures on all the cars and set up the track for the day. Hopefully we have good weather.

If anyone is interested in joining the RSP team as a coach, or any other role, have a chat with any of us.

On day 3 students will learn:-

- how to enter an event via the Motorsport Australia portal
- what is involved and costs to build a KX/Rallysprint car
- loading a car on a trailer and towing safely
- fire safety including extinguishing a fire.

RALLY SKILLS PROGRAM - 2025

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

RALLY SKILLS PROGRAM - 2025

Goals of Rally Skills Program

Day 1 of the program - 5th April

Please arrive by 9:00am as we will need to complete some paperwork, and everyone needs to sign on to be covered by insurance. There will be a drivers' briefing at 9:30. This is compulsory for both students and trainers/officials. Safety is paramount and the first sessions will cover car and personal safety, allocate students to their groups, how to put on a helmet, correct seating position and scrutineering of the RSP cars. After lunch, we will start working on cornering, weight transfer and stop/start, both theory and in car. Cars will be provided by RSP.

Day 2 of the program - 28th June

Activities will include cornering/gear changes, left foot braking, rally rules, Co-driver duties, pace notes, tyre technology and how to change a tyre safely.

Day 3 of the program - 27th September

Activities will include reinforcing day 1 & 2 skills, dummy Khanacross track, Event entry via Motorsport Australia (MA) portal, cost of building a Khanacross car, loading and towing a car trailer safely, Fire safety including extinguishing a fire.

Day 4 of the program - 26th October

You will participate in a timed Khanacross competition. Using your knowledge from day 3, you will be responsible to enter the event via the MA portal (we will assist if you have any problems). If you have your own car, you may use it for day 4 provided it passes scrutineering on the day, other wise a RSP car will be allocated to you.

RALLY SKILLS PROGRAM SPONSORS

CLUB MEETINGS

Meetings can now be attended remotely

Are you interested in being a part of our General Meeting but you just can't get there? Well.....now you can. The system has been tested and is now ready for members to access. All you need to do is click on the Google Meeting Link and the window will open up. Click on "ask to be let in" and a committee member will grant you access to the meeting. You can interact with the meeting if you wish, or just watch. You can also find the link on the Social Events Page of the WACC website.

Walkerville All Cars Club General Meeting Remote Access:

Monthly Meetings

The Walkerville All Cars Club holds regular meetings on the third Wednesday of every month at 7.30 pm. Join us at the Walkerville RSL Hall on Walkerville Terrace for an evening of camaraderie and fun! We have a great lineup of guest speakers and other activities throughout the year to keep things interesting.

New members are always welcome! We love meeting new people who share our passion for motorsport. So come along to our next meeting and make some new friends.

In addition, for those people who would like to be involved but are unable to attend in person Starting in 2024 our meetings will be Hybrid In Person & Online giving members more flexibility and the ability to be involved.

Walkerville All Cars Club General Meeting Remote Access:

WACC RESULTS - SPORTITY

All WACC event live results can be found in the Sportity App. Download the app and put in the code below.

Since Sportity has made changes to the way it operated this year, once the event is finished, Sportity will only show results for 10 days before the event is archived along with all documentation and results.

To make sure past results data is available, Ellie has created a Walky Park "Channel" (this is different to the Walky Park "Series" currently in use).

This Channel is called "Walky Park 2025 Series Documents" and the password to access it is "WalkyPark2025"

Outright Results will be published on the Channel post event, and will remain accessible for the year.

The "Walky Park Series" with password "WalkyPark" will still be used for each event, where the Supp Regs, Start List and Results will be published on the day as normal, but these events are automatically archived 10 days after the event finishes.
