Welcome to your October newsletter.

Property Maintenance Enterprises Walky Park Series Round 4 Rallysprint/ Round 3 SA Autocross Series

Walkerville All Cars Club hosted Round 3 of the SA Autocross Series, combined with Round 4 of the Walky Park Rallysprint Series on Sunday, 28 September. Competitors faced a full day of competition with a field of 24 starters.

In the Rallysprint, Luke Winterfield continued his strong form, taking the win with a commanding time of 15:35.070. Only seconds behind, Andrew Gleeson secured second place in 15:39.840, while Michael Stanford rounded out the top three on 15:53.880. Paul Knopka and Terry Schutz also impressed, finishing fourth and fifth respectively, both putting down consistent and quick runs throughout the day. It wasn't a great day for Oscar Farnden who was forced to retire due to car issues.

In the Women's Series, Yannike Schutz topped the standings with a smooth and confident drive, finishing 8th outright in 17:29.420, and also claimed victory in the Junior category.

RALLYSPRINT/ROUND 3 SA AUTOCROSS SERIES

Alongside the Rallysprint competition, drivers also battled it out in the Autocross component of Round 4 of the Walky Park Series. The quick and flowing layout tested car control and consistency, rewarding those who could balance speed with precision. Once again, Luke Winterfield proved unbeatable, taking out the Autocross Outright win with a time of 15:35.070. Hot on his heels was Andrew Gleeson, just 4.77 seconds behind, while Nick White completed the podium with a tidy drive for third.

Other standout performances came from Geoffrey Wilson and Damien Wilson, who both showed strong pace to finish fourth and fifth respectively, with Wayne Casey rounding out the top six.

Class honours were closely contested:

- Class W: Luke Winterfield took the win ahead of Oscar Farnden.
- Class E: Andrew Gleeson claimed first, with Nick White in second.
- Class C: Geoffrey Wilson led the way, finishing ahead of Damien Wilson.
- Class A: Wayne Casey took victory over Jim Roberts.

The combination of fine weather, a well-prepared track, and enthusiastic competitors made for an enjoyable and competitive day.

2025 SEASON INFO- DRAWN AT THE AGM

2025 Season ENCOURAGEMENT AWARD

Walkerville All Cars Club would like to acknowledge and thank the anonymous patron who has graciously and kindly donated \$1000 to be awarded as an encouragement award to one of our competitors at the end of the 2025 season. We have also received a second anonymous donation of \$200 as 2nd **prize which will be drawn at our AGM on 10th December.**

Details are in **Walky Park Club Series 2025**, Section 7, Article 2

The prize will be drawn in person during the AGM / Awards Night at the December Club Meeting and will be subject to the following criteria:

- Each Competitor will receive one entry into the draw for each Round/Heat that the competitor Starts in the 2025 season, with a maximum of up to eight entries for any competitor that completes the full season.
- 6 Rounds consisting of a Single Heat o 1 Round Consisting of 2 Heats - Each day of the SA KX Championship in October counts as a separate Heats for the Club Championship
- Entering an event but failing to Start due to either failing scrutiny or failing to present at the event's start line will result in not receiving an entry.
- **To be eligible to win, the recipient must be present on the night the award is drawn; if a name is drawn of a competitor who is not in attendance, the award will be redrawn until a competitor who is present is chosen.**
- Any competitor, regardless of club affiliation, will be eligible for the award, and competitors do not need to be members of WACC.

COPYWORLD ADELAIDE HILLS RALLY

Congratulations Anthony Dally and Kel Mocilnik

Awesome time was had at the Copyworld Adelaide Hills Rally over the weekend after a very last minute decision to enter.

1st Regularity Series

The weather held off, the roads were in fantastic condition, and it's always great to see the best SARC and ARC teams and drivers getting around showing off what they can do in this amazing form of Motorsport.

Congratulations to all those that managed to get a podium finish.

For us, the 'work in progress' WRX was a little grumpy at times with its persistent but very intermittent three cylinder issue but really came through flawlessly despite our best effort at sabotaging its electrical system the night before.

Thanks to Kel Mocilnik (Navigator) and Jim Mackintosh (Service Crew) for all of their help and support not only on this event but throughout the year. The car wouldn't even make it onto the trailer without the both of you. Kel has honestly been amazing having picked up and embraced the Navigator role for the first time this year, learning the ropes, and keeping us on target.

Had a ball as well with our fellow Regularity competitors Steph Broad and Tim Broad in their first rally with a mighty AWD Magna and with Adrian & Sam in the trusty and good looking Volvo. By the looks of it I think there will be some seriously stiff competition for the 2026 Series.

COPYWORLD ADELAIDE HILLS RALLY

Big thankyou to all the Officials, Volunteers, and Marshals out on the stages that make these events possible and a special thankyou to Sandra Matthews and June Bunker who made my late entry possible, including their obviously pivotal roles during the Rally. Looking forward to the Adelaide Rally with the last Regularity challenge for the year against Stephen Barker/Mandy Rudham and hopefully defeating the Victorians who have won it the last two years.

WACC Perpetual Trophy Holders

As we approach the end of the competition year, the Walkerville All Cars Club is preparing for our annual awards presentation. To ensure all perpetual trophies are ready in time, we kindly ask that any holders of perpetual trophies return them on or before our **November** meeting.

Trophies may be returned to Greta Nason at either the **October** General Meeting on Wednesday 15th October, or the **November** meeting on Wednesday 19th. This will give us enough time to have them prepared and engraved for the presentation.

We appreciate your cooperation and look forward to celebrating the achievements of our members at the end of the year.

SOCIAL COMMITTEE

Social Club 2025

Observation run 6 is in the final stages of planning.
Meet at Norman Walk, off Old Belair Rd
(adjacent to Mitcham Reserve) for Drivers Briefing
at 9:45 am on Sunday 30 Novemebr.
First car out at 10:00 am

Finish point is Forktree Brewery and Restaurant, 935 Fork tree Road, Carrickalinga SA 5204.

Join the rest of the group for lunch from 12:30.

Many thanks to Geoff Ninnies for the route suggestion and his company on the drive yesterday to set your challenges!

Winners will be announced at the AGM.

I am also planning a rerun of Observation run 5, as Ob 5A to Mannum and cruise after lunch in late February or early March.

Hopefully there will be no issues with the paddle steamer breaking down this time!

Don't forget the AGM on Wednesday 10 December.

This year the catering will be done by Barry & Lenny Lowe - huge thanks for volunteering and I can't wait to try some of your legendary catering.

If you are planning to come to the AGM, please let Faye Barker know (barkerfay@gmail.com) so we know how many to cater for - you wouldn't want to miss out would you?

If you want to be in the draw for the cash prizes for competitors at our Walky Park events this year, don't forget you need to be there in person!

All the usual series awards will be presented, perpetual trophies etc.

TRACK COMMITTEE

The track committee has been busy as always.

The new kitchen is nearly complete, we still need to install the range hood over the BBQ and a sink with running water.

We had to make a few mods to the water truck but that is fully operational and we have put out about 10 truck loads in the month.

The new roller is also making a difference and we will concentrate next year on getting tyre bundles positioned and some more road base to keep improving the tracks.

On the Saturday of the long weekend Tamara & Bob were on the graders, I was in the Water truck and Ellie was following behind in the tractor towing the roller.

We are also planning a working bee (date TBA) to install the solar panels and have uninterrupted power.

We also had to make some running repairs to the water main as the wombats had undermined the hose right where there was a join. Hopefully fixed!

RALLY SKILLS PROGRAM - 2025

DAY 3

Day 3 of the 2025 RSP was run on Saturday 27 September.

The weather god was kind to us and the day went off very smoothly, no car issues and ran pretty well on time.

I personally think day 3 is the best one, as there are 4 in-car sessions for the students and plenty of variety with the theory sessions.

Many thanks as always to all the coaches, presenters and support staff who were there on the day and made everything happen.

Dave Rudham & myself went up on the Thursday before the event to set tyre pressures on all the cars and set up the tracks for Saturday, which saved heaps of time and stress on the day.

We will try to continue doing that in the future as it was very worthwhile.

Day 4 of this year's program will be at the Sunday Khanacross at the end of October and students will need to enter themselves for the event and present their cars for scrutineering.

They will then compete in the KX, so please be patient and encouraging to them.

Pete Tann

RALLY SKILLS PROGRAM - 2025

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

RALLY SKILLS PROGRAM - 2025

Goals of Rally Skills Program

Day 1 of the program - 5th April

Please arrive by 9:00am as we will need to complete some paperwork, and everyone needs to sign on to be covered by insurance. There will be a drivers' briefing at 9:30. This is compulsory for both students and trainers/officials. Safety is paramount and the first sessions will cover car and personal safety, allocate students to their groups, how to put on a helmet, correct seating position and scrutineering of the RSP cars. After lunch, we will start working on cornering, weight transfer and stop/start, both theory and in car. Cars will be provided by RSP.

Day 2 of the program - 28th June

Activities will include cornering/gear changes, left foot braking, rally rules, Co-driver duties, pace notes, tyre technology and how to change a tyre safely.

Day 3 of the program - 27th September

Activities will include reinforcing day 1 & 2 skills, dummy Khanacross track, Event entry via Motorsport Australia (MA) portal, cost of building a Khanacross car, loading and towing a car trailer safely, Fire safety including extinguishing a fire.

Day 4 of the program - 26th October

You will participate in a timed Khanacross competition. Using your knowledge from day 3, you will be responsible to enter the event via the MA portal (we will assist if you have any problems). If you have your own car, you may use it for day 4 provided it passes scrutineering on the day, other wise a RSP car will be allocated to you.

RALLY SKILLS PROGRAM

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

Depending on the budget (which is yet to be set) we are keen to start to install bolt-in half cages in the RSP cars as a priority.

If anyone is able to assist us in the process please contact Pete.

We have harnesses for all the cars which still need to be fitted.

We have a couple of seats that have been donated and need fitting.

If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price. As always, contact Pete.

WACC RESULTS - SPORTITY

All WACC event live results can be found in the Sportity App. Download the app and put in the code below.

Since Sportity has made changes to the way it operated this year, once the event is finished, Sportity will only show results for 10 days before the event is archived along with all documentation and results.

To make sure past results data is available, Ellie has created a Walky Park "Channel" (this is different to the Walky Park "Series" currently in use).

This Channel is called "Walky Park 2025 Series Documents" and the password to access it is "WalkyPark2025"

Outright Results will be published on the Channel post event, and will remain accessible for the year.

The "Walky Park Series" with password "WalkyPark" will still be used for each event, where the Supp Regs, Start List and Results will be published on the day as normal, but these events are automatically archived 10 days after the event finishes.
