Welcome to your November newsletter.

Farnden Flies to Victory at Walky Park Khanacross Double Header

**DH Rallysport - Walky Park Series Round 3 Khanacross
State Championship Round 5 Khanacross
25th & 26th October**

A packed strong field of competitors gathered at Walky Park over the weekend of October 25–26 for the DH Rallysport Walky Park Series Round 3 Khanacross, which also served as Round 5 of the SA Khanacross Championship. The twoday event delivered a mix of fast gravel action and technical challenges from the overnight rains which saw plenty of sideways action especially in the finish water splash.

Taking out the outright win for both the club and championship standings was Oscar Farnden, who continued his impressive form behind the wheel of his Subaru. Despite being one of the youngest in the field, the 18 year old driver set impressive times to finish 1st outright over the two days.

Second place went to Sam Thomas, also in a Subaru, keeping pressure on Oscar throughout the weekend but unable to close the gap to Farnden's consistent drive. Andrew Gleeson rounded out the podium in third in his Modified 2WD Nissan, showing consistency and skill across the variety of tests Walky Park is known for. The event marked the final round of the Walky Park Khanacross Series and a big thanks to all the officials and volunteers who helped make the event a fun weekend of competition. It was also good to see our Rally Skills Program students participate in the 2nd day of the event which was a great way to finish off the RSP program by demonstrating the skills they learnt. Congratulations to all competitors and a big thank you to DH Rallysport for supporting this event. Combined results for the 2 day event - DH Rallysport Walky Park Series Round 3 will be posted next issue. Combined results for the State Championship Round 5 Khanacross are on pg. 2 (Results can be found on Sportity).

2025 SEASON INFO- DRAWN AT THE AGM

2025 Season ENCOURAGEMENT AWARD

Walkerville All Cars Club would like to acknowledge and thank the anonymous patron who has graciously and kindly donated \$1000 to be awarded as an encouragement award to one of our competitors at the end of the 2025 season. We have also received a second anonymous donation of \$200 as 2nd **prize which will be drawn at our AGM on 10th December.**

Details are in **Walky Park Club Series 2025**, Section 7, Article 2

The prize will be drawn in person during the AGM / Awards Night at the December Club Meeting and will be subject to the following criteria:

- Each Competitor will receive one entry into the draw for each Round/Heat that the competitor Starts in the 2025 season, with a maximum of up to eight entries for any competitor that completes the full season.
- 6 Rounds consisting of a Single Heat o 1 Round Consisting of 2 Heats - Each day of the SA KX Championship in October counts as a separate Heats for the Club Championship
- Entering an event but failing to Start due to either failing scrutiny or failing to present at the event's start line will result in not receiving an entry.
- **To be eligible to win, the recipient must be present on the night the award is drawn; if a name is drawn of a competitor who is not in attendance, the award will be redrawn until a competitor who is present is chosen.**
- Any competitor, regardless of club affiliation, will be eligible for the award, and competitors do not need to be members of WACC.

HISTORICS

MG CAR CLUB OF SOUTH AUSTRALIA

Incorporated

93 Chief Street, Brompton SA 5007

I am delighted to be able to announce that the MG Car Club SA is planning to bring back the All MG Day at Wigley Reserve, Glenelg on 1st February 2026. The event will be known as MGs at The Bay and will include all MG models.

MGs at The Bay is open to all MG owners which includes anyone who owns an MG, not just MGCCSA members. The event is free to enter and entrants are welcome to bring family and friends to this spectacular display of some of the state's best MGs in a family picnic atmosphere on the lawns of Wigley Reserve

A coffee van offering a range of coffees and light refreshments will be on site during the event with numerous hotel, bakery and café options available close by.

The MG Car Club is extending invitations to a number of motoring clubs to be a part of the event which is expected to attract a large number of spectators. **The attached completed entry form is required to be returned via email by Friday 16th January** which will give us an accurate number of cars as requested by the City of Holdfast Bay. All entrants will receive full details and directions via email during January 2026

We hope to see some of your club's members on this fabulous day and look forward to receiving entry forms from your MG owners.

Bob Nason

Peter Raedel

Congratulations to Peter Raedel, who has successfully achieved his Silver Scrutineering accreditation!

Peter was assessed by Bob Nason while both were volunteering at the Legend of the Lakes Hillclimb in Mount Gambier. Together with Greta Nason, the team scrutineered close to 150 cars over the weekend, an impressive effort and a great contribution to motorsport in South Australia.

A big thankyou!

A couple of months ago I was approached by WACC members Jamie Robertson and Tim Meade as they wanted to raise some money for my grandson Alex who has battled brain cancer for the past 13 years.

Together with the newly reopened Truro Hotel and its patrons, they raised \$700 from meat tray raffles over a couple of weeks.

They gave me the money at the Khana X and I have passed it on to my son to pass on to two charities that support seriously sick children and their families.

Little Heroes Foundation provides parking near the ACH for those dreaded allnighters. They also rolled out "Alex's playground", donating playground equipment for kids who are immunocompromised and can't go to their local playground like other kids. Childhood Cancer Association provides counselling services for the families (including grandparents) to help them deal with the emotional trauma associated with diagnosis and treatment.

Brain cancer in kids is the number 1 killer, and only a very small percentage of the lucky ones survive. Alex wasn't expected to make it to 4, and he has just turned 16! A heartfelt THANK YOU to all involved.

Cheers Pete

WACC Perpetual Trophy Holders

As we approach the end of the competition year, the Walkerville All Cars Club is preparing for our annual awards presentation. To ensure all perpetual trophies are ready in time, we kindly ask that any holders of perpetual trophies return them on or before our **November** meeting.

Trophies may be returned to Greta Nason at the **November** meeting on Wednesday 19th. This will give us enough time to have them prepared and engraved for the presentation.

We appreciate your cooperation and look forward to celebrating the achievements of our members at the end of the year.

Rally Skills Program shed

We have been working in the background getting quotes organised. We have paid a deposit and are waiting on detailed specs etc to go to council for building approval. We have marked out the site at Walky Park behind the containers and water tanks, assuming that council approval goes ahead without any hiccups, we hope to see the building erected by the middle of next year.

SOCIAL ACTIVITIES

Observation Run 6

Observation run 6 is all ready to go, we just need to do a final route check during the week before. Whilst I appreciate that it isn't the last minute yet, entries are a little slow coming in. Cut off date is Wednesday 26 November. Unfortunately, due to other commitments late that week, late entries will not be accepted so please get your entries in before then. Winners will be announced at the AGM.

Observation Run 5A

Yes, I know the numbering is going backwards.

This is a rerun of the event from March this year to Mannum, where we were going to have a paddle steamer cruise, but unfortunately due to a breakdown we were unable to do the cruise.

I have booked the paddle steamer Mayflower and the Pretoria Hotel for lunch again on Sunday 1st March. There will be a different route, but basic timing for the day will be similar. Cost of the cruise is \$30 per person and max passengers 30. More details in the December newsletter including entry forms.

Peter Tann.

RALLY SKILLS PROGRAM - 2025

DAY 4

Rally Skills Program

Day 4 of the program was on Sunday October 26. Students entered themselves via the MA portal for the event, which was part of their day 3 sessions. All the students did extremely well on the day despite some of the most challenging conditions we have experienced at Walky Park for a long time with lots of standing water and slippery conditions. Our youngest student, Arthur Kinnear took out the Junior trophy on the day -woohoo!

We are now taking registrations for the 2026 program. We already have several students registered and deposits paid. Numbers are strictly limited to 12 students, so if you or someone you know is interested, get in now before it's too late.

Register online via the website, and I will send you an information pack.

Dates for 2026 are Saturday 18 April; Saturday 13 June; Saturday 8 August and Sunday 27 September.

There are now only 6 places left for 2026 RSP and filling fast, so don't delay if you are thinking of registering.

RALLY SKILLS PROGRAM - 2025

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

RALLY SKILLS PROGRAM - 2026

Goals of Rally Skills Program

2026

Day 1 of the program - 18th April

Please arrive by 9:00am as we will need to complete some paperwork, and everyone needs to sign on to be covered by insurance. There will be a drivers' briefing at 9:30. This is compulsory for both students and trainers/officials. Safety is paramount and the first sessions will cover car and personal safety, allocate students to their groups, how to put on a helmet, correct seating position and scrutineering of the RSP cars. After lunch, we will start working on cornering, weight transfer and stop/start, both theory and in car. Cars will be provided by RSP.

Day 2 of the program - 13th June

Activities will include cornering/gear changes, left foot braking, rally rules, Co-driver duties, pace notes, tyre technology and how to change a tyre safely.

Day 3 of the program - 8th August

Activities will include reinforcing day 1 & 2 skills, dummy Khanacross track, Event entry via Motorsport Australia (MA) portal, cost of building a Khanacross car, loading and towing a car trailer safely, Fire safety including extinguishing a fire.

Day 4 of the program - 27th September

You will participate in a timed Khanacross competition. Using your knowledge from day 3, you will be responsible to enter the event via the MA portal (we will assist if you have any problems). If you have your own car, you may use it for day 4 provided it passes scrutineering on the day, other wise a RSP car will be allocated to you.

RALLY SKILLS PROGRAM

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

Depending on the budget (which is yet to be set) we are keen to start to install bolt-in half cages in the RSP cars as a priority.

If anyone is able to assist us in the process please contact Pete.

We have harnesses for all the cars which still need to be fitted.

We have a couple of seats that have been donated and need fitting.

If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price. As always, contact Pete.

WACC RESULTS - SPORTITY

All WACC event live results can be found in the Sportity App. Download the app and put in the code below.

Since Sportity has made changes to the way it operated this year, once the event is finished, Sportity will only show results for 10 days before the event is archived along with all documentation and results.

To make sure past results data is available, Ellie has created a Walky Park "Channel" (this is different to the Walky Park "Series" currently in use).

This Channel is called "Walky Park 2025 Series Documents" and the password to access it is "WalkyPark2025"

Outright Results will be published on the Channel post event, and will remain accessible for the year.

The "Walky Park Series" with password "WalkyPark" will still be used for each event, where the Supp Regs, Start List and Results will be published on the day as normal, but these events are automatically archived 10 days after the event finishes.
