WACC ANNUAL AWARD PRESENTATIONS

The night kicked off with cold drinks some warm banter & plenty of hot food. A huge thank you must go to all those people that made this possible. Dessert arrived and we started our award presentations. Many lucky people shared in the plasticware and I had ice-cream. Our encouragement award was awarded with a fabulous, oversized cheque and the very generous anonymous sponsor of this award offered to do it all again next year. We thank you.

CLUB UPDATES

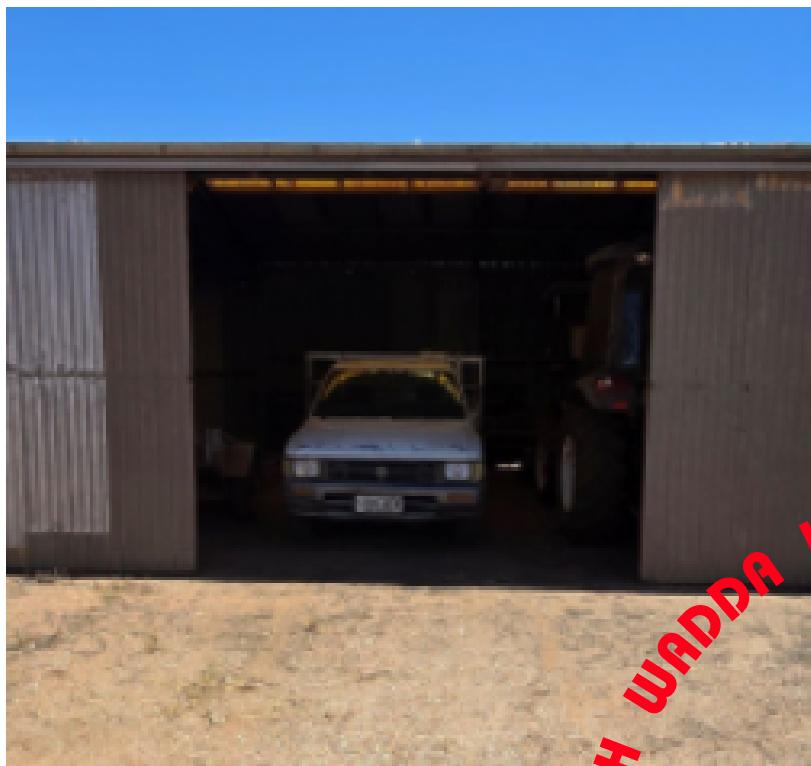

Jason Thiele has delivered our sparkling new ute to Walky Park. Comments below from his email. Thanks Jason

Today, I delivered the Hilux Ute to Walky Park. I parked it in prime position next to Bobs tractor in the shed. I have disconnected the battery.

A few things that make the Ute individual:

- *The speedo doesn't work. Needs a new Sensor in the gearbox. Cannot get new....and impossible 2nd hand.*
- *Door locks sticky. best not to lock where possible.*
- *Park Brake light stays on when hand brake is off. Needs new switch. An impossible item to by.*

It goes Very Very well! Driven for its purpose..... It will never die!

TRACK COMMITTEE

Vichi and Pete went up to Walky Park at the end of December.

"I mainly stood around and watched Vichi install the range hood over the BBQ and install a sink unit in one of the tables. I love watching other people work! We still have running and waste water to sort out."

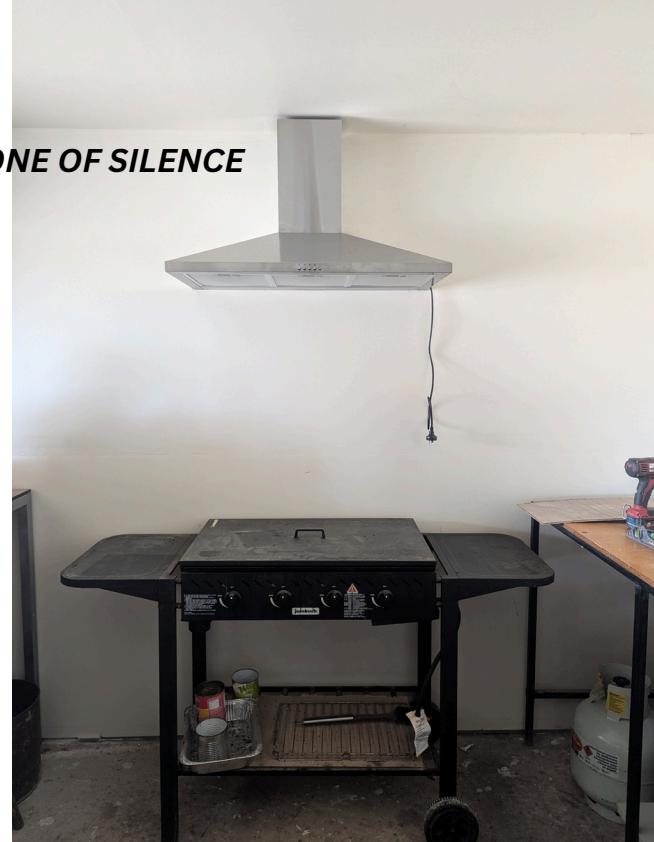

The RSP shed is progressing - we have assessed the quotes and awarded the contract and paid a deposit. We have lodged and paid for a building application. When we have that, we will need to pay a progress payment and hopefully, erection of the shed will commence in April.

All the equipment is scheduled for servicing and repairs prior to events kicking off again in April.

The solar power is progressing and should be finished this year.

AHHH THE CONE OF SILENCE

THATS A MIGHTY FINE LOOKING SINK

RALLY SKILLS PROGRAM - 2026

We have a full complement of 12 confirmed students for 2026.

We now have 12 expressions of interest for 2027 as well and hopefully most of them will confirm later this year.

I will be calling a meeting of the team in the next few weeks to confirm coaches availability and discuss any tweaks to the program for this year. We have only run the RSP twice so we are still refining some parts of the program.

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

Depending on the budget (which is yet to be set) we are keen to install bolt-in half cages in the RSP cars as a priority. If anyone is able to assist us in the process please contact Pete.

We have harnesses for all the cars which still need to be fitted. We have a couple of seats that have been donated and need fitting. If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price.

As always, contact Pete.

RALLY SKILLS PROGRAM - 2026

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

RALLY SKILLS PROGRAM - 2026

Goals of Rally Skills Program

2026

Day 1 of the program - 18th April

Please arrive by 9:00am as we will need to complete some paperwork, and everyone needs to sign on to be covered by insurance. There will be a drivers' briefing at 9:30. This is compulsory for both students and trainers/officials. Safety is paramount and the first sessions will cover car and personal safety, allocate students to their groups, how to put on a helmet, correct seating position and scrutineering of the RSP cars. After lunch, we will start working on cornering, weight transfer and stop/start, both theory and in car. Cars will be provided by RSP.

Day 2 of the program - 13th June

Activities will include cornering/gear changes, left foot braking, rally rules, Co-driver duties, pace notes, tyre technology and how to change a tyre safely.

Day 3 of the program - 8th August

Activities will include reinforcing day 1 & 2 skills, dummy Khanacross track, Event entry via Motorsport Australia (MA) portal, cost of building a Khanacross car, loading and towing a car trailer safely, Fire safety including extinguishing a fire.

Day 4 of the program - 27th September

You will participate in a timed Khanacross competition. Using your knowledge from day 3, you will be responsible to enter the event via the MA portal (we will assist if you have any problems). If you have your own car, you may use it for day 4 provided it passes scrutineering on the day, other wise a RSP car will be allocated to you.

WACC RESULTS - SPORTITY

All WACC event live results can be found in the Sportity App. Download the app and put in the code below.

Since Sportity has made changes to the way it operated this year, once the event is finished, Sportity will only show results for 10 days before the event is archived along with all documentation and results.

To make sure past results data is available, Ellie has created a Walky Park "Channel" (this is different to the Walky Park "Series" currently in use).

This Channel is called "Walky Park 2026 Series Documents" and the password to access it is "WalkyPark2026"

Outright Results will be published on the Channel post event, and will remain accessible for the year.

The "Walky Park Series" with password "WalkyPark" will still be used for each event, where the Supp Regs, Start List and Results will be published on the day as normal, but these events are automatically archived 10 days after the event finishes.
