Federation Motorfest 2026

Federation Motorfest for 2026 is here and welcome to this year's events. The events have been organised by some of South Australia's great historic car clubs and will certainly be of interest to our Interstate, Country and local enthusiasts. Again the various day outings will take you to many well-known, and some not so well known places of interest. For this Federation Motorfest we go to destinations which range from the Adelaide Hills to the Fleurieu showcasing so much of our great state of South Australia. We trust that as many of you as possible will take advantage of this wonderful programme and avail yourselves to as many Federation Motorfest events as possible. Please be aware that you do not require a specific vehicle to enter any of these events. You may use any vehicle you wish to, including your current model family car. Happy Motoring.

Programme

12th October to 23rd October – Entries close 1st October 2026

Please note: **ALL EVENTS ARE OPEN TO ALL MAKES & TYPES OF VEHICLES**
(including moderns)

Entry into the "Bay to Birdwood" is not a prerequisite for participation in
"Federation Motorfest" events.

Day 1 Monday 12th October

TOUR HISTORIC AUCHENDARROCH HOUSE & GARDENS Hosts the Milang Vintage Machinery Club

Travel through the beautiful Adelaide Hills to Mt Barker to Historic Auchendarroch House where coffee can be purchased. Morning tea provided. Come and discover South Australia's interesting history at Mt Barker's Historic Mansion and gardens. Built in 1860 as the Oakfield Hotel by Lachlan McFarlan and later purchased by businessman Robert Barr Smith who converted the hotel into a luxurious summer residence renaming it "Auchendarroch" (Gaelic for "Holy Place of the Oaks". The mansion later served as a convalescent home and an Air Force Hospital and much more. The heritage-listed restored sandstone mansion surrounded by beautiful gardens has many secrets which you will learn on the guided tour. Lunch can be purchased at your cost in the modern Oak & Iron Bistro, an extension of Auchendarroch House.

No Limits

Day 2 Tuesday 13th October

OUR LOCAL WILDLIFE EXPERIENCE

Hosts the Adelaide Allmake Automobile Club

Join us for a scenic leisurely drive through our beautiful Adelaide Hills and historic townships for our visit to Warrawong Wildlife Sanctuary at Mylor (founded in 1969 in South Australia). Included will be Devonshire Morning Tea upon arrival followed by an informative wildlife presentation and your lunch. You can also enjoy a nature walk around the extensive sanctuary or watch from the enclosure. You may see many birds, kangaroos, wallabies, koalas and even the elusive platypus.

Limited to 70 people

Please wear closed in shoes.

Day 3 Wednesday 14th October

CARS TO THE PORT

Hosts the Gawler Veteran, Vintage & Classic Vehicle Club

Members of the Gawler, Veteran, Vintage & Classic Car Club invite you to join us on a leisurely drive through the Western Suburbs of Adelaide. Our first stop will be to visit Richmond Motors for morning tea and browse through a collection of Sports, Classic and Muscle Car. If you so desire you may wish to bring your cheque book out of your pockets. We will then proceed to the Historic Port Adelaide Football Club. There we will have lunch (at own cost) and a guided tour with their Club Historian for approximately 75 mins.

Limited to 30 people

Day 4 Thursday 15th October

AN EVENING WITH AUTOMOTIVE HISTORY IN KHAKI Hosts Military Vehicle Preservation Society

Starting at the National Military Vehicle Museum in Edinburgh Park at 2.00 pm. The 6-acre site with onsite parking is a group of heritage listed buildings built during World War 2 which now house an extensive collection of historic military vehicles dating back to 1916. There is something of interest for everyone. On arrival there will be a guided tour of the Museum and restoration workshop. During the afternoon, the volunteers will demonstrate the capabilities of the operational vehicles on the Museum testing area and there will be a firing of the 25 Pdr field gun. There is also the opportunity to ride in the historic vehicles. This will be followed by an evening roast meal consisting of 2 courses within the Museum building.

Limited to 50 people

Day 5 Friday 16th October**BATTUNGA COUNTRY****Hosts the Mercedes Benz Club of SA**

Please join us for a drive up the South Eastern Freeway for a look at the area known as Battunga Country.

The main towns in this area are Echunga, Macclesfield and Meadows. Gold diggings, a Museum and sculptures are on the list of visits. There will be some walking and unpaved roads to travel on. We will stop for a cuppa along the way (included) and lunch at your own cost.

MALLALA CLASSIC VEHICLE SHOW and SHINE

Hosted by the Mallala RSL

In the Mallala Sporting Ground off Wasleys Rd, Mallala SA

SUNDAY 25TH OCTOBER 2026 From 8:30am to 12:30pm

This event is open to all vehicles (2,3 or 4 wheel) regardless of age which will provide an interesting spectacle to view cars that have been meticulously rodded, restored or even the unrestored barn finds with original patina.

Have spare parts to sell? Put them in the boot and come along to sell them on the day

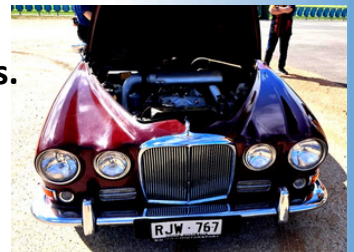

Please come and speak to like-minded enthusiasts while milling around or sitting in the RSL Hall telling tall tales.

The public will be invited to share your passion
The RSL will provide Barista Coffee, also toasted egg
and bacon sandwiches and other items at modest costs.

Please RSVP by Wed 21st October to allow for catering and marshalling services.

RSVP to ----- Mallala RSL President Joanna Grotto 0422 968452

Or Colin Castanelli 0407 228574

This will be the Mallala RSL's 4th annual car event and while it has grown from the initial one, we are endeavouring to make it the go to event in the North with greater exposure via advertising and invitations to more clubs.

We extend an invitation to your members to either participate individually or as a club on a Club Run.

Some of our members are endorsed by SAPOL as Traffic Marshalls so while enjoying the hospitality of Mallala you can be assured that your vehicle will be safe.

We look forward to your club participating.

Yours in motoring

President*

*Colin Castanelli
Event Organiser*

TRACK COMMITTEE

- The tracks have been graded and rolled ready for the next event.
- We have started placing tyre bundles in some of the wider corners. This will be an ongoing project this year.
- The solar system is progressing. We have all the components for the system and Will Langdon is going to mount everything on a board so that it can be installed in one go, plus some cabling.
- We have started work to enclose the balcony. Please be aware that the existing railings are loose and no one should go up on the balcony unless required to. We have taped off the access. Most of the new structural work is in place but it will be approximately 4 weeks until the windows arrive. The new viewing area is lower to enable larger windows so timing personnel can see Greta's Grotto and all the tracks while seated.
- The RSP shed is also progressing. We have received building approval from the council and made a progress payment to start construction of the materials. That phase should be completed in July, and erection should take about 2 weeks to complete after that.
- The small grader has developed a problem, so we only have the big grader operational at the moment. Hopefully an easy fix - watch this space.

RALLY SKILLS PROGRAM - 2026

Day 1 was run on Saturday, 16 May.

Our biggest problem during the day involved various car issues, only five cars were running at the end of the day (the last 5 minutes).

- We had a working bee a week or so afterwards, so all cars were ready to go for day 2 on Saturday 13 June.
- A huge thank you to Evan Vidler & Dave Rudham who replaced the trailing arm on the rear of the Mazda.
- Jason did a great job as always and sorted the steering arm and rough running on the red Excel.
- The cars have all been checked for fluids and seem to drive ok.
- Another big thank you to Paul Kinnear who delivered a Nissan Pulsar we bought from him following approval at last month's meeting.

Day 2 was run on Saturday June 13.

- It was little wet on Saturday, but we all stayed dry enough and got through the day well.
- 11 students in attendance now all left foot braking like pro's
- Very minimal damage to vehicles.

Day 3 scheduled for 8th August

- We now have 17 names for 2027.

Cheers
Pete

RALLY SKILLS PROGRAM - 2026

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

We have harnesses for all the cars which still need to be fitted. We have a couple of seats that have been donated and need fitting. If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price.

As always, contact Pete.

RALLY SKILLS PROGRAM

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

WACC RESULTS - SPORTITY

All WACC event live results can be found in the Sportity App. Download the app and put in the code below.

Since Sportity has made changes to the way it operated this year, once the event is finished, Sportity will only show results for 10 days before the event is archived along with all documentation and results.

To make sure past results data is available, Ellie has created a Walky Park "Channel" (this is different to the Walky Park "Series" currently in use).

This Channel is called "Walky Park 2026 Series Documents" and the password to access it is "WalkyPark2026"

Outright Results will be published on the Channel post event, and will remain accessible for the year.

The "Walky Park Series" with password "WalkyPark" will still be used for each event, where the Supp Regs, Start List and Results will be published on the day as normal, but these events are automatically archived 10 days after the event finishes.

GORGE RALLYSPRINT

I'm sad to report the Gorge Rallysprint has been Cancelled for 2026. Lets hope we can ressurect the event for 2027. Thank you to Ivar and the team for all their hard work. See his email below.

Hello there Evan

This is to confirm that the 2026 Gorge Rallysprint has been cancelled

This is due to continuing uncertainty around the installation of guard rails on Gorge Road
It looks likely that we won't have a compliant piece of road to use and worse still, not be able to get up Gorge Road at all.

We really appreciate everyone's support, thank you, and I hope we can revisit this next year.

Watch this space!

Cheers

Ivar

UPCOMING EVENTS

A great result here for Rhys Rolland.

Hey Damien ,

The IRacing **Motorsport Australia Esports Time Attack Challenge** is now complete, with Rhys Rolland taking the top spot with a time of 2:35.551.

Next up we've got Assetto Corsa Rally.

Don't miss your chance to rally against the clock from the comfort of home. These events are free and open to all participants, including those without a Motorsport Australia Esports Licence. No steering wheels, pedals or registration is required to participate.

Getting involved is easy, all you need to do is set a lap using the rules set for each event and submit your time to the leaderboard. This leaderboard will be updated in real time so you can battle your mates and see who's fastest.

Don't wait, the Motorsport Australia Esports Time Attack Challenge has already begun, grab your mates, and head to the [website to find out the full event details](#).

You can also join the **Motorsport Australia Discord** to get all the updates current and future Time Attack Challenge events.

- TSD Under 24 – \$1,450

The aim is to field between **5 and 8 South Australian cars**.

Entrants will also be paired with local WA competitors within their category for the **Teams Trophy**, creating an excellent mix of camaraderie, local knowledge, and on-event support for competitors new to the rally.

One of the highlights of the event is the spectacular stages along the Swan River at Langley Park on Sunday – reminiscent of the famous stages used during Australia's round of the WRC.

The event is renowned for:

- Strong spectator attendance
- Excellent media coverage
- Professional photography opportunities
- Outstanding sponsor exposure

The rally concludes with the presentation dinner at the The Ritz-Carlton, Perth on Sunday evening.

UME ADELAIDE HILLS RALLY

2-4 OCTOBER

Hi Everyone,

Thank-you for all the support that you have provided with the running of the Adelaide Hills Rally and rallies across the region in the past.

2026 marks the 8th running of the Adelaide Hills Rally - The event is running from the 1st – 4th October 2026, over the October Long Weekend.

Officials Registration is **NOW OPEN!**

The Adelaide Hills Rally is Round 5 of the EROAD Australian Rally Championship, and Round 3 of the MRF South Australian Rally Championship and also the South Australian Regularity Series.

The event will kick-off with the MSS Rally Show in Mount Barker on the Thursday evening, then Mid-Murray Motorplex will light-up with a Super Special stage on the Friday evening, before the crews tackle the special stages run in and around the Adelaide Hills on the Saturday and Sunday.

The Service Park will again be located at the Mount Barker Summit Sports Ground, with a remote service in Strathalbyn on the Saturday.

The success of every event always depends on our volunteer officials, and we are hoping you can assist us once again.

If you are able to volunteer, please complete the Officials Registration Form that you can find here: [2026 Adelaide Hills Rally Officials Registration](#)

If you have any questions, please get in touch, and once again, thank-you !!!

SHANNONS RALLY HEARTLAND

TTR Slow Notes

By unknown or just geographically misplaced correspondent.

It's been a moment or a couple of million at least.

The rally car got sold and other better stuff has happened and I got older.

I am according to my brother TTRing. No prizes for guessing what that means.

The last couple of years have been different to say the least. My sister-in-law, my brother and yours truly went overseas last year. What an eye opener that was. Around the world in 55 days. I'll write about that later.

The now annual Rally of the Heartland ran under new management this year and although entrant numbers were down this year compared to previous events, thanks mostly to various governments around the world being unable to agree with each other, causing a rather noticeable increasing fuel prices and everything else to boot, the event rolled on with minimal fuss, well from my point of view anyway.

The Friday was an uninspiring start though as the officials gathered at Eudunda oval for SS3 "WOMBAT FLAT". It was cold, gloomy and the bloody flies were already in unusually large numbers, seemingly unworried by repellent and fly nets. Probably because they were in short supply. I only saw 2 people with them & I was one of them. I could made a fortune if I had a couple of dozen!

Anyway, we got going to get placed only to find that the stage had not yet even been set up. No gate tags, no bunting and no road closures signage apart from the warning signs saying event on such & such day between the hours of early morning till dark or something like that. Dave Rudham & I went through the stage, tying gates, tagging everything and some road closure signs and crossed our fingers that we didn't miss anything.

3 hours and 45 minutes later we finally saw a rally car. Glee! More exciting than the rest as usual.

The field led by Toby Price/Holly Kilbride looked very good for the most part, although some navigators were a little bit rusty. One car, a very bright and nice-looking blue Datsun 240/260Z (never could tell the difference anyway) waved goodbye and forgot to turn left after our control, despite us yelling & waving to get their attention. They went straight on. For about 10 minutes. Then came back a bit quicker than when they left and disappeared in the right direction. After the field went through a second time, we got to drive the stage and clean up all the gate tags, dropper's & various bits and pieces into a setting sun (what fun-NOT) and finished if not in the dark then very much in the gloom at least. We got chatting to our deputy stage commander who mentioned that he was our stage commander for our stage on Saturday, SS13 (MOTHERCOWIE). He said there were something like 90-100 gates that needed tagging not to mention bunting off roads and other possible hazardous spots. We decided that the best thing was after dawn service (it was ANZAC Day) we would make a start on setting up the stage a bit earlier to get a headstart.

PREVIOUS EVENTS

9am Anzac Day Dave & I started to make our way to meet our Stage Commander & 10 minutes later he rang & said "have you left yet. Thinking he was a bit eager we said we were 20-25 minutes away. He said STOP! Apparently, our previous days stage commander was our current day deputy stage commander with all out tags, bunting etc on board. He was sick & only just managed to get to Burra HQ with it. Could we return to Burra, pick up the stuff, & high tail it to the stage start & we would do the best we could on whatever time we had left. OK we said & proceeded to do just that. 1 hour later we arrived at the stage start & got organised - well sort of. The stage commander said he would place the road closures signage & we would do all the gate tags etc & whatever bunting we could. So, we did. About 98 I was told. I lost count after the first 10!

Finally, we finished & met the rest of the stage officials & guided some to the finish then backtracked to the start which we were running. Apparently. We set the start-up, got surrounded by so much help I retired to watch everyone else. Next thing we had 3 then 4 MIV crews with us. Then I found out the first car wasn't due for nearly 2 hours. Very odd day. Eventually the cars arrived & set off through the stage in reasonably orderly fashion. After nearly 3 hours the flashing green light appeared (attached to a car) & promptly disappeared in the distance or fading light. Whichever you want to call it. Dave & I set about taking the stage signs, bunting & gate closures down & finished well after sundown.

LONG day having been up since 6 that morning.

Got invited to tea at the Bon Accord Hotel, had the best cuppa in a very long time out of a pot of all things. Highly recommend it.

Tea was nice but that cuppa remained in my memory, & I now have similar at home. Still tastes awesome even making it yourself.

Day 3 was a simpler exercise. Get up at 4.45, drive to Burra, then find the Midnight Oil House stage (as I call it anyway-actually DIESEL & DUST) only to find Dave at our road closure near the end & relaxed in my deck chair for about an hour & 1/2. If Motorsport Australia ever wondered why we have trouble getting officials having them on site 2 hours before seeing anything would a good place to start! Eventually Triple 000 then Double 00 appeared & waved & disappeared followed by Glee again! That bloke can drive & would probably still give most if not all the field some hurry up! After 10 or so cars appeared there was a pause that went on, & on, & on. Felt like forever before we heard that one of the cars near the house had hit a big bump a bit hard & got stuck. Very well stuck apparently as after a while the stage got cancelled but we had to stay in place as the recovery crews & the MIV were working on the crew who were a bit worse for wear. Eventually they got them & the car out & we went chase car for Mandy & Steve in the u beaut mighty Toyota Ute. It was a good afternoon as I enjoyed the tracks Dave found to get us there & back. They won their regularity section & completed a good weekend for all concerned.

After trophy presentation which I skipped most crews enjoyed a post event celebration then went on about packing up & shipping out the next morning. I was asked to check the southern end of the event which comprised 6 stages & the only thing I found was 2 droppers which I missed when we cleaned up our Friday stage Wombat Flat.

EOS.

GENERAL COMMITTEE POSITION IS STILL VACANT

FOR SALE

Car for sale - best offer

The RSP has a surplus car for sale.

It has never been used by the RSP due to a problem with the water pump leaking.

We have decided to move the car on as it requires too big a commitment to fix it with our limited resources.

The car is a 1997 Hyundai Coupe, auto, FWD, 1800cc

Cost to fix will be: water pump \$100; belts \$60; Timing Belt \$120; coolant.

Anticipate 8+ hours of labour to fix.

If anyone is interested please contact Pete Tann

GIVE AWAY TO GOOD HOME

Fire extinguishers

The club has been donated a number of 4.5 kg fire extinguishers.

These are past their expiry dates and so not suitable for commercial use, but are still fit for purpose.

The Last Word.....

My June long weekend was supposed to be 5 pubs in 5 days. A rollicking good time was promised, travelling around north western Victoria.

Day 1 Travel from Loxton to Werrimul via Murray Sunset NP. I arrived drier than a moth sandwich and settled in for the evening. Good food, good company 9.13/10

Day 2 Travel to Nangiloc/Colignan. This was my choice because according to my friend Hannah, I like palindromes. All a bit dull really only 3 Stars

Day 3 Head off early, destination Hotel Nandaly. A fine establishment but much busier than usual. Turns out the Nandaly 300 was in town. A fine off road event that has been run by Sea Lake Off Road Club for many years now. There is something special about stumbling upon an event like this. Needless to say, we stayed the duration and 5 pubs in 5 days became 3 pubs in 5 day, Great event, great atmosphere, and great food, finished up as full as a doctors wallet. Have marked it on my calendar for next year. If you have nothing planned consider this. 10/10 for the singing.
