WALKY TORQUE
OCTOBER 2026

I'd just be happy to be 61

It doesnt always have to be for sheep stations. Our Walky Park Series has 1 round left, on 8th November and is a great way to start out in motorsport. It can be as expensive or as cheap as you like. It can be serious competition if that's your thing or just a big load of fun.
Show up, help out, volunteer, grab a licence and borrow mums car for a quick run to the car wash. She'll never know if we dont tell her.

NEXT GENERAL MEETING:

WEDNESDAY 21 OCTOBER

SEE YOU THERE AT 7:30PM

FOR THE MONTHLY GENERAL BUSINESS MEETING

Walkerville RSL Hall, Walkerville Tce, Walkerville

Next Events

25/10 - Mallala classic vehicle show and shine
08/11 - AUTOPLUS -Walky Park series Rallysprint Round 2
13-15/11 - Legend of The Lakes - Mount Gambier

All articles should be emailed to me by the Friday before each monthly meeting. Anything received after that time may not make the cut.

VALE
“JC” John Caldicott
1967 - 2026

On 13 September, our sport lost one of our finest people.

John Caldicott (or Caldy, as I knew him) was a quiet achiever. Although, those of you who knew him may argue with me about the word “quiet”. The truth is, the man could talk under water with a mouth full of marbles – and wasn’t it wonderful? I had the great pleasure of solving the problems of the world with him at so many events since first meeting him in 1987. There was no nicer way to spend the time waiting to book in at time controls than with Caldy.

Caldy was a highly respected rally co-driver who achieved significant success at all levels of our sport, on both dirt and bitumen. The list of drivers who trusted him to call notes for them is a who’s who of rallying. But you may not know that because he just got on with the job.

I attended Caldy’s memorial service and can tell you it was standing room only. He made so many friends and touched so many lives during his, not just in motorsport but in all areas of his life. He has left us far too soon and will be sorely missed.

The members of the Walkerville All Cars Club wish to extend their heartfelt sympathies to John’s family and friends.

Mandy Rudham

CLUB UPDATES

WALKY PARK TROPHIES

We have a lot of trophies from this year's Walky Park Events that weren't presented on the day. This is usually because the recipient left early.

Can the competitors listed below please pick up their trophy or trophies at the October or November General Meeting or pick up from my residence at 9 Dodd Place, Ingle Farm ringing first on 0419 031 058.

Thanking you - Greta

Magnus Poole x 4
Vaughan Bell
Rory Flynn
Cameron Robinson
Oscar Farnden x 2

CLUB UPDATES

Presentation Dinner and AGM

Wednesday 9th of December 2026 Walkerville RSL Hall.

If you received a Perpetual Shield at last years Presentation Night please return them by the November General Meeting 18/11/2026.

Alternatively you may return them to Greta at her home address or any event.
To enquire further please contact Greta on 0419 031 058

Nominations for Clubman/Clubwoman/Official of the year

All nominations will need to be sent to Samantha Shadwell (samanthashadwell@gmail.com) by the 1st November so they can be voted on at the November commitee meeting.

Nomination for 2026 Committee

Should be completed prior to the AGM

SOCIAL EVENTS

The following events are in various stages of planning. Save the dates
Other upcoming

- RSP Shed Official Opening to be held at Walky Park
  - TBA (Anyone else want to have a guess?) - as mentioned at the last GM, the entire construction industry is delayed due to the wet winter.
  - Our project has been pushed back about 3 months.
  - The materials have been manufactured and we are waiting for a date from the installer.

- Observation run 7 -
  - Sunday 22 November.
  - Suburban route for a change. I have checked the route and am now working on questions.
  - Lunch at the Sailmaster Tavern at North Haven (own cost) from 12:00 til 2:00 pm, followed by a guided tour of the Clipper Ship City of Adelaide, which is undergoing restoration, starting at 2:00 pm for a concessional cost of $15.
  - Entry form & promo info attached.
  - Brochure for the Clipper is attached.

- Presentation Dinner and AGM
  9th of December 2026 Walkerville RSL Hall.

- Go Karts - TBA

The WACC committee welcomes all their members to events and we look forward to seeing old faces as well as meeting new members.
We look forward to your participation.

OBSERVATION TRIAL 7

HISTORICS

MEMBERS CAR

Liem Thai has recently acquired this lovely 1999 STi

HISTORICS

The Little Green Sprite.

The Sprite, owned by club member Kim Lovett, is an extensively modified “Bugeye” MkI Austin Healey Sprite. As reported in the magazine, the car runs a “Ken Elder” 7 port head. Ken Elder was a racing enthusiast/engineer/mechanic originally from NZ, residing in Sydney and prominent through the 1970s and 80s for racing Honda S800s. He even designed and built completely his own special, “The Elder Special”. He was constantly attempting to improve the performance of his cars, which led to the development of the 7 and 8 port heads fitted to BMC A Series motors.

Sadly Ken passed away in September. Ken’s son Chris, also a motoring enthusiast, had taken note of the original article in our magazine. Noting that Kim’s car ran an “Elder” 7 port head, Chris made contact seeking further information.

Indeed, Kim’s car runs an Elder 7 port head. The Sprite’s racing engine development took place in Sydney by previous owners. The drive train includes: 1300 full race motor, 45DCOE Weber carburettors, Hepolite Powermax pistons, lightened and polished conrods, lightened flywheel, Ken Elder 7 port superflow head, camshaft ground to race profile, 1.5 ratio rockers, deep core radiator, straight cut close ration gearbox, and torquemaster LSD.

RPM	C/O	KW	NM	Taco
3000	4.5%	45	280	2900
4000	7.5%	57	279	3900
5000	6.25%	72	282	5000
6000	4.75%	88	288	6000
6500	5.5%	90	271	6600

Chris was happy to finally locate a car running the 7 port head designed by his father Ken. Information has been forwarded to Chris for his information. Chris “ The7portcame quite late inthe game, and I can’tsay I’veevermet somebodywith a 7 Portona runningengine, soit’s nice to hear about it. I know others exist, but I just haven’t met anyone!

HISTORICS

Further details on Ken Elder:

A Great Photo of Ken racing his old Honda S800 sports car in the 1970s. This car would beat brand new (at the time) Porche's around the track, and went on to hold the Australian drag racing record for its class (based on engine size). The motor was only 0.9lt (900cc), less than some motor bikes!

Born in Auckland, Ken stepped into the motoring world at a young age, and began racing at Pukekohe, before coming to Australia and pursuing a lifetime in the automotive industry. Best known for his excellence with Honda S800's & other early model Hondas, he ran his own mechanic business for many years, and would race many cars, even held a couple of National Records, then went on to manufacture his own racing car "The Elder Special", Chrome/Alloy Bullitt Mirrors, and the "ELDER" BMC A Series Crossflow Heads (7/8 Port). Ken was a prominant member of the Honda Car Club NSW, he often raced at Oran Park, Amaroo Park, Castlereagh Drags, and other various events.

About a month ago I received an email from Chris Elder, seeking more information about the "Little Green Sprite"
The vehicle featured in our August 2025 Walky Torque.
>>>Link here>>> *https://www.wacc.asn.au/media/website_posts/466/WACAUG25.pdf*
I was able to put Chris in contact with Kim Lovett, the current owner and WACC member.
As a result of their catch up, Kim was able to write this follow up to that article
ed.

TRACK COMMITTEE

- The tracks are being graded and rolled on an ongoing basis.
  - We are actively trying to get some roadbase to mix in and bind material together.
  - We have started placing tyre bundles in some of the wider corners. This will be an ongoing project.

- The solar system is progressing. We have all the components for the system and Will Langdon is going to mount everything on a board so that it can be installed in one go, plus some cabling.
  - We have started work to enclose the balcony.
  - The windows are in and hopefully we will work on the cladding, door and floor during November.
  - Once that is complete we will be able to secure the area and install the solar system.

- The RSP shed installation is bogged down like the rest of the building industry.
  - We have received building approval from the council and made a progress payment to start construction of the materials.
  - The manufacture of the shed is complete.
  - We are waiting for confirmation of an installation date.

- The small grader developed another issue and seemed to be over-fueling.

- We are continuing to spray an infestation of thistles. Please let someone know if you see some.

RALLY SKILLS PROGRAM - 2026

The 2026 program is now complete.

- A huge thank you to everyone who helped deliver the program this year.
- I would especially like to thank Dave Rudham & Evan Vidler for keeping the cars running in the absence of Jason Thiele who had a shoulder reconstruction and was unable to help for the latter part of the year.
- As always, a huge thank you to all the coaches and presenters who do a fantastic job on the day.
- The Vectra gave up after 3 years of faithful service, but being able to see into the gearbox was terminal. It has gone to the scrapyard—thanks to Peter Burgess for looking after us.
- I am contacting the first 12 names on the waiting list for 2027, and asking for a deposit to secure their places..
- We have 22 names for 2027, and I am taking them in order of receipt.

- Finally, I would like to thank Peter Burgess and Dianne Brown for their help with Walky Park catering this year. When we have had a two-day event, they have bought all the supplies for Sunday and brought them up which has made my life so much easier.

The Autoplus Rally Sprint postponed from Sunday 19 April, has been rescheduled to Sunday 8 November.

Cheers
Pete

RALLY SKILLS PROGRAM - 2026

EXPRESSION OF INTEREST INSTRUCTORS

We would like another couple of club members to get themselves accredited as coaches for the program. We have been running a bit lean on numbers and if we have a few people unavailable due to travel commitments or sickness we are very tight to run the day. You will need to get a Working with Children Check before registering with MA as a coach, which takes an hour or so. It is also a good way to hone your own skills.

Please contact Peter Tann on 0417867403 (or any of the RSP team) if you are interested, or would like to find out more.

We have harnesses for all the cars which still need to be fitted. We have a couple of seats that have been donated and need fitting. If anyone is upgrading their seats we are interested in donations or purchase at a reasonable price.

As always, contact Pete.

RALLY SKILLS PROGRAM

Goals of Rally Skills Program

The Rally Skills Program's goals are to provide a safe space for young people and adults to learn and develop skills driving on gravel, with an emphasis on providing a gateway into Motorsport.

By developing a driver education program, we aim to educate drivers on the skills required to drive on gravel, as well as learn general driving skills. We will provide students an outlet to learn in a safe environment, being taught by experienced instructors in a family-friendly environment.

Students will use a supplied vehicle during the Program, to get experience and decide if they would like to pursue the sport, before having to outlay equipment and a vehicle, which can be a barrier to people participating.

The program aims to provide on ongoing support to assist students of the program to continue to develop skills and further their careers. We hope to start a buddy system where a participant can continue to be mentored by another club member to help them increase their skills and continue into the next level of Motorsport.

The program consists of 3 full day sessions/lessons with final event day when students get the opportunity to compete in a Walkerville All Cars Club Khanacross. The program will run once per year. A maximum of 12 students, split into two groups of 6.

WACC RESULTS - SPORTITY

All WACC event live results can be found in the Sportity App. Download the app and put in the code below.

Since Sportity has made changes to the way it operated this year, once the event is finished, Sportity will only show results for 10 days before the event is archived along with all documentation and results.

To make sure past results data is available, Ellie has created a Walky Park "Channel" (this is different to the Walky Park "Series" currently in use).

This Channel is called "Walky Park 2026 Series Documents" and the password to access it is "WalkyPark2026"

Outright Results will be published on the Channel post event, and will remain accessible for the year.

The "Walky Park Series" with password "WalkyPark" will still be used for each event, where the Supp Regs, Start List and Results will be published on the day as normal, but these events are automatically archived 10 days after the event finishes.

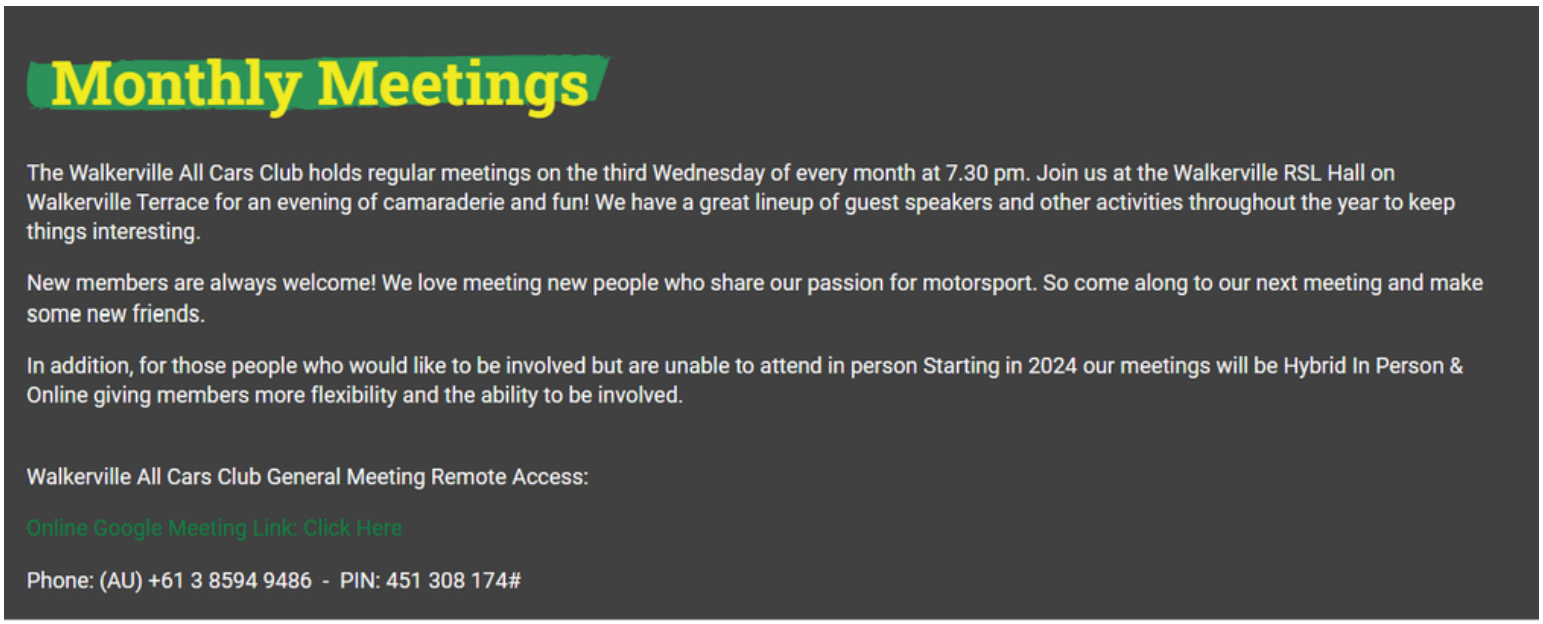

CLUB MEETINGS

Meetings can now be attended remotely

Are you interested in being a part of our General Meeting but you just can't get there? Well.....now you can. The system has been tested and is now ready for members to access. All you need to do is click on the Google Meeting Link and the window will open up. Click on “ask to be let in” and a committee member will grant you access to the meeting. You can interact with the meeting if you wish, or just watch. You can also find the link on the Social Events Page of the WACC website.

UPCOMING EVENTS

OPERATION FLINDERS TO FLEURIEU RALLY

The countdown is on for the inaugural **Operation Flinders to Fleurieu Rally,** and planning continues to gather momentum as we work towards welcoming competitors to South Australia from **20–25 September 2026**.

One of the exciting developments since our last update is the introduction of the **F2F Yankalilla Stages**—a new **two-day sub-event** that provides competitors with the opportunity to be part of the Flinders to Fleurieu Rally without committing to the full six-day event.

The F2F Yankalilla Stages are ideal for competitors wanting to experience the atmosphere of the event, tackle some fantastic Fleurieu Peninsula roads, and become part of South Australia's newest classic rally, whether you're new to long-distance rallying or simply can't spare a full week.

Planning for the main event is progressing exceptionally well. Our team has now completed consultation with residents along **more than 900 kilometres of competitive stages**, and we have been overwhelmed by the positive response from the communities we will be visiting.

Accommodation bookings continue to grow, with more than **1,000 bed nights already secured** for competitors and service crews, and that figure doesn't yet include our officials and volunteers.

The event will also receive significant media exposure, with **Black Magic Media** producing the official event coverage. Joining the team is **Colin Clark**, the internationally recognised **Voice of the World Rally Championship**, who will help showcase not only the rally but also the incredible scenery, towns and tourism experiences South Australia has to offer.

We are also honoured to welcome **1984 World Rally Champion Stig Blomqvist** from Sweden, who will be attending throughout the event and sharing his wealth of experience with competitors and fans alike.

UPCOMING EVENTS

OPERATION FLINDERS TO FLEURIEU RALLY

The rally isn't just about competition. We've partnered with **Operation Flinders** as our principal charity and are delivering **Youth Driver Training** Programs across participating council areas, helping support safer young drivers while giving back to the communities that are hosting us.

Whether you're interested in:

- Entering the full six-day **Operation Flinders to Fleurieu Rally**,
- Competing in the new **F2F Yankalilla Stages**,
- Volunteering as an official,
- Bringing your family to one of the public displays, or
- Simply supporting a unique South Australian motorsport event,

we'd love to see you involved.

Don't forget our public displays:

- **Quorn** – Sunday, 20 September
- **Clare Sports Club & Function Centre** – Wednesday, 23 September
- **Victor Harbor** – Friday, 25 September (Finish Celebrations)

The enthusiasm from competitors, officials, councils, tourism organisations and local communities has been outstanding, and we're looking forward to delivering an event that showcases the very best of classic rallying and regional South Australia.

We hope to see many of our club members involved in what promises to become one of Australia's premier classic rally events. If you'd like more information about entering either event or volunteering, please don't hesitate to get in touch.

We look forward to seeing you in September!

UPCOMING EVENTS

MALLALA CLASSIC VEHICLE SHOW and SHINE

Hosted by the Mallala RSL

In the Mallala SportingGroundsoffWasleys Rd, Mallala SA

SUNDAY 25TH OCTOBER 2026 From 8:30am to 12:30pm

This event is open to all vehicles (2,3 or 4 wheel) regardless of age which will provide an Interesting spectacle to view cars that have been meticulously rodded, restored or even the unrestored barn finds with original patina.

Have spare parts to sell? Put them in the boot and come along to sell them on the day

Please come and speak to like-minded enthusiasts while milling around or sitting in the RSL Hall telling tall tales.

The public will be invited to share your passion
TheRSLwill provide Barista Coffee, alsotoastedegg
and bacon sandwiches and other items at modest costs.

Please RSVP by Wed 21st October to allow for catering and marshalling services.
RSVP to ----- Mallala RSL President Joanna Grotto 0422 968452
Or Colin Castanelli 0407 228574

This will be the Mallala RSL's 4th annual car event and while it has grown from the initial one, we are endeavouring to make it the go to event in the North with greater exposure via advertising and invitations to more clubs.
We extend an invitation to your members to either participate individually or as a club on a Club Run.
Some of our members are endorsed by SAPOL as Traffic Marshalls so while enjoying the hospitality of Mallala you can be assured that your vehicle will be safe.
We look forward to your club participating.

Yours in motoring

Joanna Grotto — ***President***

Colin Castanelli — ***Event Organiser***

UPCOMING EVENTS

2026 ampl auto Willunga HillClimb

Sunday 13th December 2026 - Officials

The Willunga Hillclimb is a great opportunity to get involved in motorsport, and we're looking for a few extra Officials to help make the event a success.

Whether you're an experienced Official or would simply like to try something new.
Spend time with fellow motorsport enthusiasts and be part of the action behind the scenes.

If you have some time available and would like to lend a hand, we'd love to hear from you.

Interested in helping out? You can register as an Official here:
https://form.jotform.com/262851464373866

We look forward to welcoming both familiar faces and new volunteers to the team!

Start and form-up in 2025

DH RALLYSPORT - WALKY PARK SERIES KHANACROSS ROUND 3 & RSP/SA KHANACROSS CHAMPIONSHIP 26 & 27 SEPTEMBER

A huge thank you to our sponsors **DH Rallysport** for supporting this 2 day Khanacross event at Walky Park

We had a good turn out of RSP participants who seemed to fit in well with the event and enjoy the experience. It was encouraging to see how much they have all improved since starting the program.

PAST EVENTS

Adelaide Hills Rally 2026: A Team Effort to Remember

Challenging weather, thrilling competition and more than 140 dedicated Officials combined to deliver a memorable Adelaide Hills Rally.

The 2026 Adelaide Hills Rally was a weekend that demonstrated just how much can be achieved through teamwork, dedication and a shared passion for motorsport. Despite cold, wet and challenging conditions, every stage and activity went ahead as planned, thanks to the tremendous efforts of more than 140 Officials and the many people working behind the scenes.

Held over the October long weekend, the Adelaide Hills Rally brought together the Australian Rally Championship, the final round of the MRF South Australian Rally Championship and the South Australian Regularity Series, along with a community activities and entertainment.

From the Rally Show and Street Party in Mount Barker on Thursday evening to the AutObarn Super Special Stage at the Mid Murray Motorplex on Friday, followed by Saturday night's activities at the Service Park and two days of competitive rallying on local roads, there was plenty happening throughout the weekend.

Delivering an event of this scale takes months of preparation, countless volunteer hours and an enormous amount of coordination. When the weather turned against the organisers, the commitment of the Officials became even more important.

The people behind the rally

The success of the event was a credit to the entire team, from the Organising Committee and Stage Management Teams to the Control Officials, Road Closures, Spectator Marshals, Service Park & Regroup Officials, Scrutineers and everyone filling the many other essential roles.

For some, the working day began in the early hours of the morning. For others, it meant long hours out on the stages in cold and miserable conditions. Many also needed to be flexible, taking on additional responsibilities and supporting their fellow Officials wherever needed.

Despite the difficult conditions, there were very few no-shows across the four days of volunteer activity — a testament to the commitment and reliability of South Australia's rally Officials.

Clerk of the Course Michael Clements reflected on the achievement following nine months of organisation, acknowledging the scale of delivering multiple events across a single weekend.

The program included the Rally Show and Street Party, Australian Rally Championship testing and media rides, the Super Special Stage, Saturday night's "Sights and Sounds at the Summit", and two days of rallying across council roads, with around 1,500 residents to consider in the planning and delivery.

Michael also highlighted the contribution of the organising committee, whose members put in hundreds of hours before and during the event. While much of this work goes unseen, the commitment is considerable, with some team members working 18-hour days from the Tuesday before the rally through to pack-up on the following Monday.

As Michael noted, every role is critical to the running of the event, and the efforts of everyone involved made the weekend possible.

*A special congratulations goes to **Allan Harley, recipient of the STEDI Officials Award**. Allan's contribution extended well beyond a single role, helping secure sponsorship, installing advance road signs, distributing posters and serving as Chief Spectator Marshal, alongside his many other responsibilities.*

His recognition is a fitting example of the dedication that exists throughout the rally community.

ADELAIDE HILLS RALLY

Thrilling competition

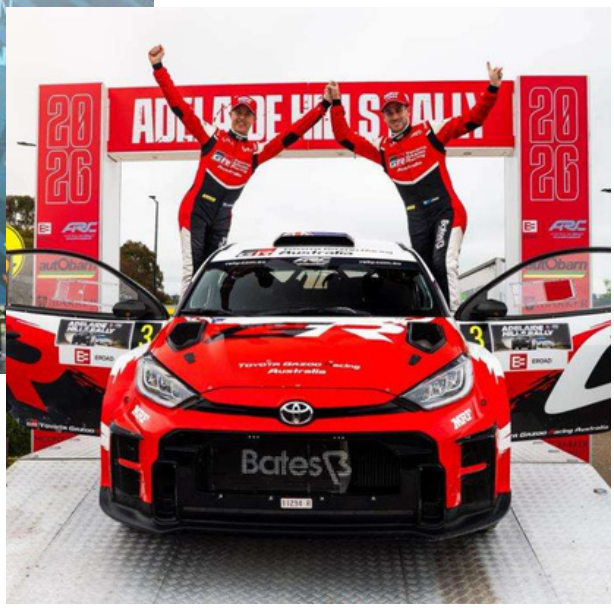

On the competition side, the Australian Rally Championship provided plenty of excitement, with six lead changes across Saturday's 10 stages and the overall outcome going down to the final two stages.

Lewis Bates and Anthony McLoughlin claimed the overall Adelaide Hills Rally victory, winning Saturday's Heat 1 before finishing second to their teammates on Sunday.

Harry Bates and Coral Taylor fought back in spectacular style to win Heat 2, taking seven of the nine completed stages. Jackson Long and Damien Long secured third place in Heat 2, rounding out the overall podium.

There were strong performances throughout the field, with Josh Redhead and Ray Winwood-Smith taking maximum WOLF Sports Cup points, Bradley Clements and Naomi Povey winning the Classic Cup, and Glenn and Bec Campbell celebrating their return to the Australian Rally Championship with victory in the 2WD Cup.

🏆 2026 Adelaide Hills Rally – ARC Winners! 🏆

🥇 1st: Lewis Bates & Anthony McLoughlin
🥈 2nd: Harry Bates & Coral Taylor
🥉 3rd: Jackson Long & Damien Long

The event also hosted the final round of the **MRF South Australian Rally Championship** and the South Australian Regularity Series.

Guy Tyler and Steve Fisher won the South Australian Rally Championship component after an epic battle that went right to the finish line, producing one of the closest finishes in SARC history.

Congratulations also go to Les Eather and Glenn Hickling, winners of the 130 Advanced Rally Regularity component; Anthony Dally and Kel Mocilnik, winners of the SA Regularity Series component; and Michael and Casey Mohr, winners of the UME Rallysprint.

Wet, slippery and demanding conditions made these performances all the more impressive.

ADELAIDE HILLS RALLY

🏆 2026 Adelaide Hills Rally – SARC Winners! 🏆

🥇 1st: Guy Tyler & Steve Fisher

🥈 2nd: Michael Mohr & Casey Mohr

🥉 3rd: Rob Hunt & Jeremy Browne

More than just a rally

The Adelaide Hills Rally is about more than competition. It brings together competitors, Officials, spectators, local businesses and the wider community, creating experiences and memories beyond the stages themselves.

Behind every stage, timecard and result was a team working together to make it happen. Their efforts ensured competitors could compete, and the event could deliver on its promises, even in difficult conditions.

To all Officials, volunteers, committee members and supporters who contributed to the 2026 Adelaide Hills Rally, thank you. Your flexibility, resilience and willingness to help wherever needed made a genuine difference.

The weather may not have been kind, but the spirit of the people involved certainly shone through. Everyone who contributed should be incredibly proud of what they helped deliver.

NORTHERN TYRE SERVICE - WALKY PARK RALLYSPRINT ROUND 3 11 OCTOBER

A huge thank you to our sponsors **Northern Tyre Service** for their support of this rallysprint event at Walky Park, and for their assistance throughout the year.

The event had everything.
Fast spots
slow bits
rough parts
smooth areas
and just the right amount of wind and water

WOMEN IN MOTORSPORT 2026 DINNER

Women in Motorsport SA Annual Dinner
9 October 2026

"You're gonna need a bigger boat!"
I've always wanted to say that. Well, in our case, a bigger room might have been handy!

On Friday 9 October, 50 women from across the motorsport community gathered at the Astor Hotel for the 2026 Women in Motorsport SA Annual Dinner. This was the second year I've been involved with this event, this time alongside Lisi Pickstock, who also did a wonderful job as our MC (I prefer to move in the shadows like a ninja 뒛륶륜룔륽륺), with support from Lisa Totani of Adelaide Car Club, an ongoing leader and supporter of our women in motorsport initiatives.

The dinner brought together women from different motorsport disciplines, clubs and stages of their journeys. We came from different backgrounds and had different experiences, but shared a love of motorsport. It was wonderful to see so many women connecting, swapping stories and discovering what they had in common. It was also a lovely reminder of something I often say: we're better together.

Inspiring guests and meaningful connections

We were thrilled to welcome The Hon. Katrine Hildyard MP, Minister for Women, who opened the evening with an inspiring and engaging address. Katrine, who attended with her friend Ilka, took a genuine interest in the women she met and made everyone feel welcome. One of the highlights was arranging small-group networking sessions with the Minister. These gave women the opportunity to speak with Katrine directly, share their experiences and discuss what matters to them. The conversations were a wonderful way to build connections beyond the formalities of the evening. Katrine even asked if she could host us at Parliament. Of course, we said YES!

We were also privileged to welcome Elizabeth Perry AM, a member of the FIA Senate and FIA Foundation, who shared insights into her work and her contribution to motorsport internationally. Councillor Eleanor Freeman from the City of Adelaide joined us too, and it was lovely to give her the opportunity to meet women from across our motorsport community.

WOMEN IN MOTORSPORT 2026 DINNER

Walky women take the stage

It was particularly special to have fellow Walkerville All Cars Club (WACC) members Annie Galliford and Rebecca Boggiano among our four guest speakers. Many Walky members will know Annie as a Senior Official, off-road competitor and all-round awesome human being.

Rebecca is a regular competitor across four wheels and two, on tarmac and gravel, and a former Rally Skills Program (RSP) student. Her journey from watching motorsport to getting behind the wheel herself is a great example of what can happen when you take that first step and give something a go.

Kim Morrison shared her journey as an award-winning Senior Motorsport Official and her achievement in being named Motorsport Australia's 2025 SA/NT Circuit Official of the Year.

Lisa Walker spoke about her lifelong passion for racing, from childhood weekends at the track to building her own competitive Sprintcar.

Together, the four speakers brought different experiences and perspectives to the evening, reminding us that there are many ways to be involved in motorsport. Fellow Walky member Mandy Rudham also joined us and helped on the night, while Tamara and Eli Brice were unfortunately unable to attend.

Our Annie G

Lisi and Lisa

A community where everyone belongs

For me, the best part of the evening was seeing women from so many different backgrounds come together, share a laugh, swap stories and make new connections. Some have decades of experience; others are just starting out. Everyone has something to contribute.

That is what Women in Motorsport SA is all about: creating a welcoming community where women can encourage one another, discover opportunities and feel confident taking that next step.

Organising the dinner took months of work behind the scenes, but seeing the room buzzing with conversation made it all worthwhile. I'm incredibly grateful to Lisi for co-organising the evening with me and for MCing (I hear she's available for hire — I get a 10% finder's fee!). I'm also grateful to everyone who attended and helped make it such a memorable night.

WOMEN IN MOTORSPORT 2026 DINNER

Lisi, Katrine & myself

Building momentum beyond the dinner

Over the past two years, I've taken on a leadership role within the Women in Motorsport SA Community and have been working on a range of initiatives behind the scenes. We are a community, not a club, and our newly established Women in Motorsport SA Pit Crew want to keep working alongside clubs and event organisers to create opportunities for women — not just as competitors, but also as officials and in all the other roles that keep motorsport moving, evolving and remaining inclusive for all.

I believe we achieve far more when clubs, groups and communities share ideas, support one another and work towards common goals. We don't need to all do the same things, or even belong to the same club, to make a difference. Imagine what we can achieve when we work with each other rather than against each other. We're better together.

This was the second dinner I've co-organised, following the first in November 2025, and it was especially rewarding to see my vision continue to grow and evolve. I'm grateful to our sponsors for their generous door prizes: Rally School, Pro Karts Pooraka, Autosport, AMX SuperStores, Burson Auto Parts – Mile End, the Links Hotel and Tim Possingham. It was also great to support Pro Karts Pooraka at a recent club event.

I first came into the club in December 2025 as a RSP student, so it has been particularly meaningful to continue contributing as a club member and volunteer, and to help create opportunities for others to get involved. Volunteering has given me the chance to support the club, give back to the club and the volunteers who help run the RSP, share what I've learned and help build the welcoming community that first encouraged me to take part.

Women supporting women

OurWomen in Motorsport SA Facebook group has grown to 155 women and is supported by a Messenger chat group of 110 women; the memberships don't completely overlap. Lisi and I manage the Facebook group and contribute to the chat, and it's exciting to see the community continuing to grow. There is still more to do, and I hope 2027 brings fresh faces, new ideas and more women stepping into leadership roles. Initiatives like these create real opportunities for women to connect, learn, participate and support one another.

WOMEN IN MOTORSPORT 2026 DINNER

As a member of six car clubs (and a Cheese Club) as well as the Women in Motorsport SA Community, I was proud to help the Sporting Car Club of SA deliver its first Ladies Day Hillclimb on 9 May 2026. We had 54 competitors, more than half of whom had never tried a hillclimb before and many were regular gravel competitors. Many have returned since, having discovered and enjoyed a new form of motorsport.

Kim and Lisi

SDCC members with Bec

With Lisa's help, we organised the Women's Mechanical Skills Workshop on 31 May at Lexus Adelaide, bringing together 20 women to refresh their knowledge of car maintenance and troubleshooting. I also assisted Lisa with the Rally School event at Walky Park on 28 June, which the club catered for. We brought 20 women to Walky Park to try gravel driving, and I think we left an impression — it's a day that will be remembered by all for years to come! I also organised a visit to Autosport on 31 July so women could learn more about safety gear and equipment. It was a happy kind of chaos, and I hope poor Simon has recovered by now!

As a WACC member, I know how much our sport depends on people who give their time, share their knowledge and encourage others along the way. The 2026 Women in Motorsport SA Annual Dinner was a wonderful reminder of what we can achieve when we bring people together across clubs and communities.

And if the laughter, conversations and new connections were anything to go by, we might need that bigger room next year!

We're better together. Everyone belongs. Sometimes, all it takes is that first step!

GIVE AWAY TO GOOD HOME

Fire extinguishers

The club has been donated a number of 4.5 kg fire extinguishers.
These are past their expiry dates and so not suitable for commercial use, but are still fit for purpose.
If you would like some for your shed or around the home please contact Pete Tann to arrange pickup.

SARally.net.au Jacket - 3XL

Hi Folks,
We're doing a bit of a spring clean and found this jacket that no longer fits us (3XL).
Warm for the winter months with fleecy lining.
It has faded just a little (see photos) but who will notice out on the stages 😊. Otherwise, it is in very good condition.
Anyway, we'll bring it along to the Walky Club meeting this month (this Wednesday), if you want to collect it.
Dave & Mandy Rudham

The Last Word.....

So our trip to WA went really well. Loads of over indulgant family time and a good look about.

One of the highlights of our trip was Tarmac West. It's no secret that I'm really not a fan of tarmac but we couldn't be more impressed with the event.

3 stages were walking distance from son 1's house wherre we were staying. I drove them a number of times while we were there. Most of the other stages were also driven once. May I recommend you give this event serious consideration for 2027. Much of the support offered, to bring a team from SA will still be on offer and will be promoted on their website and socials. Some details will change in 27 but if you have a read of Anthony Dally's articles in this years Walky Torques you will get an insight to the type of assistance available.
